STRENGTH

In a bank lies, first, in the ability and experience of its officers, "The men behind the gun;" second, its board of directors who advise with and direct the officers; and third, the Capital.

LIBERALITY—In a bank is its willingness to furnish funds to depositors to assist them in carrying on their legitimate business. Our motto is:

"STRONG AND LIBERAL"—Look us up and if you find us deserving, give us your business.

Granite Columns For Bank.—The granite columns for the entrance of the new building of the First Trust and Savings Bank Company have arrived and will be placed in position in a day or two.

S. C. Rogers Contributed.—In the list of the original contributors to the dredger fund the name of A. C. Rogers appeared as result of typographical error. The name should have been S. C. Rogers.

Would be City Electrician.—W. A. Smith has entered application for the position of city electrician which is to be created by a new ordinance regulating wiring, etc. According to his ideas, the inspection should be placed on a fee system which will make the office self supporting.

Matson Is Better.—Another telegram today from Leo Matson who was taken suddenly ill at Spokane, Wash., announces that he is somewhat improved. He hopes to be able to leave for Marshfield in a few days. In case he is able to start for home soon, his relatives here will not make the trip to Spokane as was contemplated.

Howard In Charge.—Chas. A. Howard has been selected by the Second Southern Oregon District Fair management to arrange with manufacturers and others for exhibits during the exposition here in August. The headquarters of the exhibit department will be in the office of Sec. G. W. Carleton in the First Trust and Savings Bank building.

Baptists Sunday School Picnic.—The Sunday school of the First Baptist church has arranged for the annual picnic to be held at Charleston Bay next Friday. A large number of boats have been chartered to carry the picnickers down and bring them home in the evening. Most of the boats will leave at 7:30 Friday morning but one will remain until 8:30 for the belated ones. Each will be expected to provide his own eatables.

At Old Home.—The Daily Ledger of New Albany, Ind., says: "Judge C. A. Sehlbrede, of Marshfield, Ore., who when a young man was engaged in the practice of law in this city, and for several weeks has been visiting relatives in Floyd and Clark counties, will return next week to his home. Judge Sehlbrede was a delegate from Oregon to the National Republican Convention in Chicago, and since the convention has been visiting here."

Oh, What Joy!
"Cured at last! Oh, what joy to think that I have at last been cured of that awful bowel trouble," are the words of A. C. Butler of Cold Springs, Texas, who suffered off and on for twelve months with a disorder of his bowels, and finally, after almost giving up in despair, was cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy. No one need suffer from colic or diarrhoea, for this remedy always gives prompt relief. For sale by JOHN PREUSS.

ECONOMY and Knowlton, fruit jars—best on earth, at the Coos Bay Cash Store.
