START NEW ROAD.

Construction of Dallas-Salem Line is Begun.

SALEM, Ore., July 31.—Work has been started on the extension of the Salem Falls City & Western railway from Dallas to Salem. L. Gerlinger, of Portland, president of the road, says no time will be wasted in building this extension, but it will probably be next fall before trains will be running over the new track. Grading will be carried on as late this winter as possible, but with the arrival of the rainy season work will have to be suspended until spring. By October, 1909, it is expected the extension will have been completed.

BARS CHRISTAINS FROM Y. M. C. A. JOB

Building Boss Discharges Them — Says Non-Believers Do Much More Work.

LOS ANGELES, July 31.—General Superintendent C. B. Weaver, who has charge of the construction work of the new Y. M. C. A. building, here, has discharged all the Christians. He declares that non-Christians do 25 per cent more work than the church members. "There's not a Christian on the job as far as I know," said Weaver today. "When I began I had some Christians, but they did not deliver the goods. I fired 'em. They were a sissy lot, and thought because they belonged to the church they should get the soft end of everything, I've hired fellows who make no profession and I'm getting twice as much work out of them."

Members of the Y. M. C. A. are greatly disturbed because of the attitude of Weaver. They declare they will take steps to see that Christians are at least put on an equal footing with non-Christians.

NEW YORK, July 30.—In order to make sure that the new Assistant Chief Engineer of the Sag Harbor, Long Island, Volunteer Firemen is awakened when an alarm is given, some of the firemen are talking of hitching a rope to his toe and giving it a tug when there's a fire, for the new Assistant Chief, Albert R. Hall, is very deaf. He was nominated, it is said, as a joke, because of his deafness. But he took the nomination seriously and made an active canvass for votes. The result was that he was elected by a vote of 70 to 42 for his opponent.

MONTCLAIR, N. J., July 30.—The Rev.
