Mr. Smith expects to spend several months on Coos Bay but has not given any intimation of his plans for developing the property during his stay.

Made Quick Trip.—The Wilhelmina returned here today from Coquille, bringing in considerable freight from there and Bandon. No difficulty was encountered in the trip up the Coquille river, the six-ton gasoline engine being unloaded without trouble. The round trip from Coos Bay, including the stops to load and unload freight, was made in about thirty-six hours.

Wed at Roseburg.—A very quiet wedding occurred at the Baptist parsonage in this city Monday morning, when Edward Laswell, a resident of Coos county, was united in marriage to Miss Agnes Dugger, a recent arrival from Tennessee, Rev. Hicks officiating. The couple leave for Marshfield where they will make their future home, the groom owning

a large ranch in that locality.—Roseburg News.

They left Monday for Marshfield, Myrtle Point and Coquille, where they will view the country. They will probably return home by boat from Marshfield.—Roseburg News.

To Entertain Guests.—A general meeting of the Chamber of Commerce will be held Friday night to appoint committees to take charge of and aid in the entertainment of the delegates and visitors to the Southern Oregon District Fair here the last week in August and the Oregon-Idaho Development congress. It is proposed to show the visitors every courtesy possible and to do this the united efforts of the citizens will be required.

**MRS. YOAKAM IN PORTLAND.**

Coos County Woman Investigates Dairying. The Portland Telegram says: "Mrs. F. A. Yoakam, vice-president of the Oregon State Dairy Association, is in Portland in the interest of the association in regard to the exhibit at the coming state fair at Salem, which begins September 14, and is to last a week. She predicts an unusually large exhibit on the grounds this season, as the dairy interests of the state have grown to huge dimensions and the association finds great enthusiasm in the various counties among the dairymen.

"Mrs. Yoakam's home is in Marshfield, which is situated in the heart of a dairy country, and where those connected with the dairy business have all become well to do, and many of them have grown rich. Her next trip will be into Tillamook County, where the butter and cheese production has taken the lead of the lumber and other industries, which it is likely to retain."

WHY NOT STOP PAYING RENT TO THE BLOOMING LANDLORDS when you can get a good building lot in "Sengstacken's Addition" or "Eastside" at your own terms. For particulars, see Title Guarantee and Abstract Company.

PRIDE O'HUMBOLDT. The Humboldt Brewing Co. did not build the brewery and bring the water to it. They found the water and put the building there. That's why the Pride O'Humboldt Beer is so popular with all northern California. It is brewed and bottled under the same roof—not carried for miles in a keg and transferred thereby losing the sparkle and body so necessary to a light, clear, pleasant beer. The Blanco Hotel carries it so does The Pullman Bar. It doesn't cost any more to take a dozen with you on a picnic, than any other beer and you'll clamor for the next dozen. Just try it once. Pride O'Humboldt.

The steamship City of Panama will leave Marshfield for SAN FRANCISCO, SATURDAY, AUGUST 8. For freight or passage apply at Breakwater dock, L. W. Shaw, agent.

When you need to take something take it promptly for the stomach, but take something you know is reliable—something like Kodol For Dyspepsia and Indigestion. Kodol is pleasant to take, it is reliable and is guaranteed to give relief. It is sold by LOCKHART PARSONS DRUG CO. Better send this paper to a friend.
