August 26 to 29 Inclusive MARSHFIELD, ORE.

They will find the grounds in better condition and more attractive than ever before. They will find many new buildings. All in all, they will see that Coos Bay has the best facilities of any section of the Southwest Oregon for holding a big fair. Some of the best horses on the coast will be here to participate in the speed program. Some of the most attractive purses ever hung up for a fair race meet will make each individual event worth coming a long distance to see. The counties will put up their best in trying to secure the prizes for the exhibits of their products. Hahatonka Club to Meet.—The Hahatonka Club is preparing to close its vacation and a meeting of the members has been called for tonight to arrange a dance or picnic.

Puts Out Forest Fire.—The shower last evening and yesterday is believed to have extinguished the forest fire that has been smouldering at several points on the peninsula since the blaze of a few weeks ago. The fire occasional broke out into a blaze and was feared by some of the property owners.

Nann Smith In.—The Nann Smith arrived last night from Bay Point where she took a cargo of lumber for the Smith mill. C. A. Smith, Mr. and Mrs. J. E. Oren and baby Mrs. A. H. Powers and Misses Hazel and Lury Powers returned on her, Mrs. Oren and baby just coming from Minneapolis where they have spent the summer with relatives.

Injures His Eye.—Tom Smith, a son of Ren Smith at the head of Daniels' Creek, had his eye severely injured the other day as a result of being struck with the tip of the lash of a whip. He was driving cattle when the accident occurred. For a time, it was feared that the sight of the optic had been destroyed but now it is believed that no permanent injury was done.

Early Rain.—Last evening Coos Bay experienced one of the earliest fall rains that it has known in years. A third of an inch fell. Mrs. E. Mingus, government meteorological observer, said today that such a heavy fall of rain was very unusual in August, the regular time being in September. The rain did much more good than harm by eliminating the dust and freshening vegetation.

Excursion to Bandon.—The M. W. A. lodges of the county, have arranged for a big picnic and clam bake on the beach at Bandon for Sunday, August 16. A special train will be run from Marshfield to accommodate the Marshfield, North Bend and Empire members and their friends. The train will make connection with excursion boats from Myrtle Point and Coquille. It is expected that the event will be one of the biggest and most enjoyable of the kind ever given in the county. A large number are planning to go from Marshfield.

Many Enjoy Picnic.—The Presbyterian congregation's picnic on Coos River yesterday was enjoyed by about seventy-five. The usual picnic festivities prevailed. It rained more up the river than on the Bay and in consequence some of the party in the open launches were drenched. En route up, the party saw a young deer near the river bank. The deer was quite tame and was greatly admired by all. En route home, the picnic party saw a couple of hunters carrying the veni-

AT THE THEATRE.

Georgia Harper scored another hit at the Masonic Opera House last night in her presentation of "Zaza." Miss Harper's acting in this difficult character was above criticism and her gowns the most elegant ever seen on a local stage. Mr. Detrick and the balance of the company played their parts well, and a good sized audience was in attendance in spite of the rainy evening. Tonight, the sparkling comedy, "All The Comforts of Home," will be presented and is claimed to be one of the very best comedy plays ever written. It has been a leading feature in Miss Harper's repertoire for a number of years and has been played by all of the best artists.

JOIN THE CROWD in the M. W. A. excursion to Bandon, Sunday, August 16. Special train leaves Marshfield depot at 7 a. m. Return same evening.
