Will be at the Coos and Curry District Fair

August 26 to 29 Inclusive  
MARSHFIELD, ORE.

They will find the grounds in better condition and more attractive than ever before. They will find many new buildings. All in all, they will see that Coos Bay has the best facilities of any section of the Southwest Oregon for holding a big fair. The increased cash premiums and specials will bring the greatest live stock show ever seen on the coast, and it will compare favorably with the best fairs of any section of the west. Some of the best horses on the coast will be here to participate in the speed program. Some of the most attractive purses ever hung up for a fair race meet will make each individual event worth coming a long distance to see. The counties will put up their best in trying to secure the prizes for the exhibits of their products. There will be special rates on all lines of transportation for passengers and special freight inducements for all exhibits. If you wish any particular information it will be cheerfully given by

## WHAT COLOR IS YOUR LINEN?

Is it yellow, a gray streaked or a dingy blue color? or is it a clear pearly white? When your linen is "off color" it is the evidence of poorly done or insufficient washing. We give the washing part of our laundry careful attention, and with lots of water, pure soap and modern methods succeed in obtaining a most perfect color.
