JOKER" IN BUILDING ORDINANCE
ELIMINATES FIRE LIMITS

PERMITS Frame of erection
of Buildings in Business
District.

MAYOR STRAW HAS NOT
SIGNED IT YET
Few knew it had Anything to do
With the Protection
Regulation.

Who was responsible for the "joker"
that came in the new building ordinance
which practically eliminates the fire
limits in the city of Roseburg?

This is a question that is being
asked in every nook and corner of
to the city yesterday, and apparently
also to the mayor of Roseburg.

The answer is that the ordinance
was not submitted to the mayor for
signing, and that the city council had
already adopted it.

Mayor E. R. Brown could not be
present to answer the question.

It is understood that the
ordinance is ready to be signed by
the mayor, and that he will sign it
soon.

The ordinance goes into
force immediately, and any
building that is erected without
observance of the new ordinance
will be subject to a fine of $500.

The ordinance provides that the
fire limits for buildings shall not be
less than: 50 feet from any street
boundary, 25 feet from any public
building, and 75 feet from any
private building.

The ordinance also provides
that all buildings shall be
constructed of materials that are
fireproof, and that all buildings
shall be equipped with fire escapes.

SUDDEN DEATH AT BANDON

Chief Engineer Geo. L. Morse
of Stover Bandon Victim
of Heart Failure.

George L. Morse, chief engineer
of the Stover Bandon, died suddenly
at his home here today. He was 37
