# EASTERN STAR ENJOY BANQUET

### More Than 200 Participate In Annual Meeting of Order In Coos County.

More than 200 participated in the celebration of the natal day of Robert Morris, founder of the Order of the Eastern Star, and the seventh annual meeting of the Coos County O. E. S. Association in Marshfield last night. The event was the most largely attended, most enjoyable and one of the most successful the organization has ever held.

The meeting really began yesterday noon with a fine dinner in honor of the local members and the visitors. Mrs. Florence M. Barbelt, Past Worthy Grand Matron of Oregon, welcomed the visitors with an appropriate address. The response was by Mary Pierce of Beulah Chapter No. 6 of Coquille. In the afternoon, all visited the Fair.

The banquet last evening was one of the finest spreads that has ever graced a similar occasion on Coos Bay. The hall was artistically decorated for the occasion and the feast was followed by a feast of wit and wisdom, a dozen or more speakers responding to toasts. F. C. Allen presided as toastmaster and the following responded to toasts:

- "Robert Morris" by Mr. Lorenz of Coquille; "Fraternity," by E. L. Robinson of North Bend; "How to Build Up Our Order," by Mrs. Stiles of Portland, Grand Associate Worthy Matron of Oregon; "Our Duties to the Order," by Mrs. Ora Maury of Coquille; "Duties of Officers," by F. A. Golden of Marshfield; "Relation of Masonry to the O. E. S.," by J. W. Mast of Bandon; "Reminiscence—Lest We Forget," by C. H. Marsh of Marshfield; "As Others See Us," by H. C. Preston of Myrtle Point; "Our Older Members," by F. M. Friedburg; "Our Younger Members," by Chas. G. Lee, Chas. Schaufel and wife, J. A. Webb and wife, R. Baldwin, D. Thayer, C. Swansen, J. by Samuel Marsden of Marshfield; "The Ladies," by J. T. Hall.

Preceding the banquet, there was some secret work including the opening of the Chapter by Doric, No. 53, ritualistic work by Elgin No. 24, the Mystic Tie by Occidental No. 45, and closing of the chapter by Doric No. 53.

### NEWS OF COQUILLE.

#### Events of Interest There as Told by the Herald.

Frank Flam, the purchaser of the Dean sawmill two miles east of town, moved the machinery down the river to his place on Bear creek the last of the week, where it will be set up and operated in the future.

At Lakeport, California, on August 11, 1908, Mr. Grover Harrison Vann and Miss Agnes Elsie Wheeler, both of Upper Lake, Cal., were joined in holy matrimony. The bride with her parents resided in Coquille during the early nineties. Congratulations and well wishes are extended by many friends here.

A considerable amount of slashing has been done in this and up-river sections this year, and the time for burning has arrived. With the delay of rains we may expect some smoky weather next month.

Jonathan Quick returned Sunday evening from his trip to Pepperwood, Humboldt county, California, made for the purpose of visiting his son, Henry Quick. Mr. Quick Sr., suffered greatly from seasickness on the homeward voyage.

O. A. Kelly, of Riverton, was in town on Saturday accompanied by his father-in-law, J. H. Burns, of Birmingham, Alabama, who is here making Mr. and Mrs. Kelly a three weeks' visit. Mr. Burns is highly pleased with our section, but cannot be away from his duties as a member of the police force in his home city too long.

Zenia C. Strang and family are to leave by wagon for Ashland some time next month, camping along the road and enjoying life in true country style. They may extend their journey to California before returning and be absent all winter, though it is probable they will visit with relatives in Ashland. During the family's absence Mr. Strang's place south of town will be managed by his brother, David P. Strang.

### GET FINE WOODS.

#### Oregon Building at Seattle Exposition to Have Coos Bay Finish.

President W. H. Wehrung of the Oregon-Alaska-Yukon Exposition Committee and Secretary M. D. Wisdom are on Coos Bay to secure native woods for the furnishing of the Oregon building at the Alaska-Yukon-Pacific Exposition. It is the intention to finish the building and have the furniture made of native Oregon woods. There is an abundance of these woods most suitable for finishing on Coos Bay, and there are convenient plants on Coos Bay for turning out the lumber needed by the Oregon Commission.

### THE THEATRE.

The Margaret Iles Company played "The Young Mrs. Winthrop" at Masonic Opera House last night to the largest and most appreciative audience of the season. It was one of the best plays ever presented here and was well handled by this company. The leading part of "The Young Mrs. Winthrop" was played by Miss Margaret Iles and as usual she was excellent in it. Though Miss Iles has only been here a short time she is already a great favorite with the public.
