Douglas County Orchard Owner Receives Big Offer.
The Roseburg Review says: "J. B. Harris was down from Myrtle Creek last Saturday, preparing for the opening of prune harvesting. He is increasing the capacity of one of his big driers in order to handle the crop. From his orchard of 35 acres he expects a yield of 100,000 pounds of evaporated prunes. His crop is already sold on a basis of 5 1/2 cents per pound for 30's. For a tract of 5 1/2 acres adjoining the town of Myrtle Creek, four acres of which is in bearing prune orchard, he recently refused an offer of \$2,000. WILL WIND UP FAIR MATTERS

Meeting of Directors Called For Friday to Adjust Claims and Accounts.

The call will be issued today by Secretary G. W. Carleton for a meeting of the directors of the Fair Association to be held at the Chamber of Commerce Friday afternoon and evening, between 4 and 10 o'clock, for the purpose of settling all bills incurred by the recent exposition. All parties holding bills against the association will be expected to have them filed with Secretary Carleton by that time.

There are a few who subscribed to the original fund for the fair who have not paid their subscriptions yet but it is expected that they will do so at once. The fair was a greater success than any one had anticipated, bringing more people here than were expected, and it is believed that all are satisfied and will be ready to fulfill their pledges.

"The fair would have had a neat sum to the good, had it not been necessary to expend so much in improving and fixing the race course and grounds," said Secretary Carleton today. "We will see that every bill is paid but this cannot be done out of the income from the fair alone. However, the improvements made are of a permanent nature and furnish the basis for future fairs. Next year and the following year, it will not be necessary to expend much on the grounds or for buildings so that there will be an opportunity to make the fair considerably more than pay its own way. I think that everybody is satisfied with the success of the event. The officers are, and we wish every one who contributed or aided in any way, to know that we are more than grateful for the assistance."

HARRIMAN IN ROSEBURG.

Wires There That He Will Stop a Few Minutes.

ROSEBURG, Ore., Sept. 2.—Booster Zurcher of the Roseburg Commercial Club, is in receipt of a telegram from E. H. Harriman, the railway magnate, accepting the invitation of the club to stop here on his way north, at the conclusion of his summer outing at Pellean Bay, Klamath county, Oregon. No date has yet been fixed for his visit, and his stay will be short, yet the Club hopes to be able to show Mr. Harriman that Roseburg is distinctly on the map. The message of acceptance follows:

Pellean Lodge, Aug. 29, '08.
Mgr. Roseburg Commercial Club.
Thanks for your kind invitation to stop over on my way north. Will stop for a few minutes, but have so much to do cannot spend much time with you this time. Will advise arrival later.

ROSEBURG, Ore., Sept. 2.—The peach wagons are not so frequent as a week ago, the early crop being about harvested. The crop has been considered short, but the fruit very fine. Taking it all around, the Edenbower fruit crop has been fair.

HARD ON "SKOOKUM."

"Buckshot's" Dog Victim of Only Accident at Wedderburn Races.

The Wedderburn Radium says: "There was not a single accident on the track, if "Buckshot" Creason's dog Skookum is left out of the count. Skookum has long been a canine character on Coos Bay and generally is around where the most excitement is going on. True to his proclivities, the dog ran out on the track as a race was in progress and was struck by one of the horses' hoofs. Skookum was unconscious for several minutes, and his owner was planning for obsequies, but the dog came back as usual and soon was looking for more trouble."
