Leave Bills Behind.—Twiss Brothers, who have been conducting the Garden City Tailoring Company, on Front street, disposed of their business to Mrs. Vincent and left without taking the trouble to settle accounts held by a number of firms. It is understood that they went to Portland, and an attempt may be made to ascertain their whereabouts and collect the bills.

Makes Quick Trip.—The Wilhelmina made a record trip yesterday. She sailed from North Bend at 8:30 o'clock, with ninety-five tons of freight for Bandon, reached her destination and unloaded and took on a cargo of 300,000 shingles and other freight, and reached Coos Bay about 10 o'clock last evening. Today, she will sail for Port Orford with about 100 tons of miscellaneous freight.

California Catches It.—Mrs. Robert McCann is in receipt of some Riverside, California, papers from a friend there which tell of the destruction of the entire grape crop of Southern California by one of the most severe hail storms ever known there. In one instance F. B. Ross, a hotel man who was caught in the hail, was badly bruised about the head as a result of being battered by hailstones as large as lemons. Coos Bay climate seems pretty good after reading these reports.
