### Between Safety and Danger

Your Fire Insurance Policy always stands to protect you from loss. One never knows how soon the fire demon may visit and put the once happy home into a charred heap of ruins. What a blessing is a good Policy in such an event! How cruel it seems to be without one when all is lost! This is your own fault. It costs you little per annum to be all the time protected. If you fail to secure this protection the fault is yours alone. See

**Kills Cougar.**—Robert Baker of Portland, who has been visiting Frank Rogers, killed a large cougar on the Rogers' ranch the other day. The varmint had been killing many of the Rogers' sheep when it was located. Mr. Baker's bullet knocked out one of the brute's teeth. They are having the carcass mounted.

**Thrown By Horse.**—Mrs. Charles Masters was thrown by her mount while riding horseback at the Masters' ranch, near Sumner, yesterday. **Returns From Camas Valley.**—G. F. Winchester and wife have returned from a vacation trip to Camas Valley where they visited Mrs. Winchester's parents. He reports that Fred Nelson is hunting hard but when Mr. Winchester left had not succeeded in bagging any big game, although he was looking for anything from bear to a trout.

**Young Attorney Weds.**—Harry Hoy and bride have reached Marshfield from Waldport, Oregon, where they were united in marriage September 30, the bride being Miss Meta Bobell, a sister of August Bobell, proprietor of the Central hotel in Marshfield. The marriage was solemnized at the home of the bride's mother by Judge Goin.
