It is planned by Judge Sehlbrede, that the meeting on Coos Bay will be held at Marshfield, but that it will be a joint meeting of the people of all of the community surrounding the Bay, North Bend, Eastside, Empire and Libby.

### TO GET ORATOR.

Local Democrats Decide to Inject Energy into Campaign.

At a meeting of the local Democrats the other night, it was decided that steps should be immediately taken to inject some energy into the campaign in behalf of Bryan and Democracy in general in Coos county. Tom Hall, chairman of the Coos County Democratic Central Committee, presided as chairman. J. D. McNeil was appointed to take charge of the speaking bureau with the understanding that he should arrange to bring one or more prominent Democratic orators into the county within the next few weeks. Mr. McNeil is now in correspondence with the state organization.

John M. Guerin of Portland, a well-known Oregon Democratic orator, may be one of the speakers secured.

## MUCH INTEREST IN CONTEST

Greater Efforts Made By Some Contestants Who Are Holding Votes Back.

A few more weeks of labor, contest candidates, and the great prize contest run by this newspaper, The Times, will close. No newspaper in a city of this size ever gave the same values in prizes as we are giving in this contest. Bear this in mind.

Each day brings forth greater efforts on the part of the contestants. They and their friends are straining every nerve to secure as many votes as possible between now and the close of the contest. Every friend of every contestant are interesting themselves more intensely. That alone shows that they do not intend to see their favorite lose, and will put forth every effort to see them lead all the way and not be beaten in the end. Get into the habit of rounding up every subscription and coupon you possibly can and keep it up. Get out among the numerous friends who have pledged their support and make a good showing every day. Lose no time if you expect to win one of the handsome prizes.

### Hold Back Votes.

Some of the candidates are said to be holding back votes for the final few days of the contest. Of course, they cannot hold the coupon votes that long, but they can hold votes issued for payments on subscription and for new subscribers. Those who are advancing their scores daily stand a better chance of winning than those who stay in the same position from day to day and endeavor to make a final rush the last day or two. It is the experience of all in voting contests that candidate who are at the top secure votes from the fact that the public believes they have the best chance of winning. Your friends also think your chance the best and extend help in many ways.

There is a ballot box in The Times office where the votes may be deposited for any candidate whom

you may see fit to vote for. If you cannot bring the ballots to the office, send them in by mail to the Contest Manager and the votes will be accorded to the one for whom they are intended. The votes are counted twice, so there can be no mistake as to the proper number of ballots accorded to each candidate. The easiest and quickest way to win is for candidates to ask their friends to prepay their subscription for 6 to 12 months. It costs the subscriber nothing extra to do this and they are saved the annoyance of monthly collections. By so doing you receive a special vote ballot which is good any time during the contest.

When you pay your subscription, be sure that you get your votes for The Coos Bay Times Popular Voting Contest.
