#### A CURE FOR RHEUMATISM.

Each recurring attack of rheumatism makes the disease harder to control, but the fact that it is not in itself dangerous causes people to neglect it, awaiting a change or a settled condition of the weather for relief. It is often only after the disease has become so serious as to interfere with business that the sufferer will seek more than temporary relief. Chamberlain's Liniment is a remedy for rheumatism which any one can apply. It not only gives prompt relief from pain, but in a large majority of cases it brings about permanent results. The first application will surprise and delight you as immediate relief is almost sure to follow. For sale by JOHN PREUSS.

#### SOCIALIST MINISTERS APPEAL.

A recent manifesto signed by one hundred and sixty-one clergymen expresses belief in the Socialistic teachings of the Scriptures, and urges all Christian people to search the Scriptures and study the philosophy of Socialism in order that their belief may be vindicated. The signers represent twenty-four religious denominations and thirty-six States and Territories in the United States, besides three denominations and four provinces of Canada. The address of the ministers reads as follows:

"Brethren: We who are ministers to congregations of various denominations hereby declare our adherence to the object of the Ministers' Socialist Conference, which is:

"1. To permeate churches, denominations, and other religious institutions with the social message of the Bible; to show that Socialism is the economic expression of the religious life; to end the class struggle by establishing industrial democracy, and to hasten the reign of justice and brotherhood upon earth.

"2. We believe that the economic teaching of the Scriptures would find

its fulfilment in the cooperative commonwealth of modern Socialism.

"3. We believe that the present social system, based as it is upon the sin of covetousness, makes the ethical life as inculcated by religion impracticable; and should give place to a social system founded on the 'Golden Rule,' and the 'Royal Law' of the Kingdom of God. 'Thou shalt love thy neighbor as thyself,' which, realized under the cooperative commonwealth of Socialism, will create an environment favorable to the practise of religious life.

"4. We accordingly urge with utmost earnestness that all our brethren in the ministry and the people in all churches search the Scriptures and study the philosophy of Socialism, that they may see if our belief be not indeed God's very truth."

## DETAILS OF THE POSTAL SAVINGS PLAN

Prompt Performance of Republican Platform Promise is Certain.

Postal Savings Banks Will Form Save and Convenient System for Accumulating Savings.

A bill providing for the establishment of postal savings banks was favorably reported by the United States Senate Committee on Postoffices and Post Roads during the recent session of Congress, and is reasonably certain to be enacted into law during the coming session, thus adding prompt performance to the promise of the Republican national platform relative to this form of strengthening our national system of finance.

The bill reported provides for the establishment of postal savings depositories for depositing savings at interest with the security of the Government for the repayment thereof and designates the money-order post-offices and such others as the Postmaster-General may, in his discretion, from time to time designate as savings depositories to receive deposits from the public and to account and dispose of the same according to the terms of the act.

The depositories are to be kept open for the transaction of business every day, Sundays and legal holidays excepted, during the usual post-office business hours of the town and localities where the respective depositories are located, and during such additional hours as the Postmaster-General may designate.

Accounts may be opened by any person of the age of 10 years, and a married woman may open an account free from interference by her husband. A trustee may open an account for another person. No person can open more than one saving account except when acting as trustee for another person.

A depositor's pass book will be delivered to each depositor in which the name and other memoranda necessary for identification will be entered, and entry of all deposits shall be made.

One dollar or a larger amount in multiples of 10 cents will be necessary to open an account, but deposits of 10 cents or multiples thereof will be received after an account is opened.

Upon receiving a deposit the postmaster is required to enter the same in the pass book of the depositor and immediately notify the Postmaster-General of the amount of the deposit and the name of the depositor. The Postmaster-General, upon receipt of such notice, is required to send an acknowledgment thereof to the depositor, which acknowledgment shall constitute conclusive evidence of the making of such deposit.

**Interest Allowed on Deposits.**  
 Interest is allowed at the rate of 2 per cent per annum, computed annually, on the average deposit during each quarter of the year. One thousand dollars is the maximum deposit allowed to the credit of any one account, and interest will not be paid on any amount to the credit of an account in excess of \$500.

Pass books must be forwarded to the Postmaster-General on the anniversary of the making of the first deposit for verification, posting, and credit of interest due. Withdrawals may be made under rules and regulations to be prescribed by the Postmaster-General. Deposits are exempt from seizure under any legal process against the depositor and they are also exempt from taxation by the United States or any state. The name of a depositor or the amount to his or her credit may not be disclosed unless by order of the Postmaster-General.

Postal savings funds are to be deposited by the Postmaster-General in national banks located as near as may be in the neighborhood where such deposits were received at a rate of interest not less than 2 1/2 per cent per annum. If deposits can not be made in national banks at the specified rate of interest, the Postmaster-General may, with the approval of the Secretary of the Treasury and the Attorney-General, invest the same in State, Territorial, county, or municipal bonds.
