Republican victory more sweeping than dreamed of

BY RAYMOND IDEA GO DOWN TO ONE OF THE GREATEST DEFEATS THAT PARTY HAS KNOWN IN RECENT YEARS—NEW YORK GIVES TAFT 200,000 PLURALITY.

GREATER NEW YORK FOR TAFT

OAH GIVES TAFT ABOUT 50,000, ILLINOIS 170,000, INDIANA 18,000 AND NEBRASKA MAY GO AGAINST ITS HOME CANDIDATE—CANNON REELECTED.

(Exclusive Associated Press) NEW YORK, Nov. 4.—William Howard Taft of Ohio, Republican, was elected twenty-seventh president of the United States and James Schurman Sherman of N. Y., was chosen vice-president yesterday. This was the outcome of one of the most remarkable political campaigns in the history of the republic. Wm. Jennings Bryan of Nebraska, the Democratic candidate, went down in the third defeat of his life's ambition to occupy the White House. The returns today indicate that Taft will have at least 296 electoral votes, and as the returns from the West are growing stronger for Taft, the final result may justify the claims of Hatchcock of 325 electoral votes for Taft, made before the campaign.

One of the results surpassing the most sanguine hopes of most Republicans was Taft's carrying Great New York with 15,645.

Governor Hughes was re-elected by a plurality estimated today at 75,000 over Chamberlain, and while Greater New York gave Taft a plurality of 15,645, it gave Chamberlain a margin of 56,043.

Governor Johnson was re-elected governor of Minnesota for his third term by 150,000, Hagan, the candidate for the presidency on the independence ticket, received comparatively meager support throughout the country.

There is practically no change indicated in the House of Representatives. The United States senate retains its present Republican majority.

Indiana has gone to Taft by from 15,000 to 18,000. Bryan apparently carried Nebraska although the Republicans still claim the state.

Ohio has gone to Taft by 50,000 to 70,000, although the returns are very slow.

Taft carried New York City by about 15,645, the first time that city has given its vote to a Republican candidate since 1896, when McKinley had a small plurality.

Taft received a greater plurality in New York state than did Roosevelt four years ago, the indications being 202,000 for Taft against 175,000 for Roosevelt.

Hagan, the Independent candidate, received about 28,000 votes in Greater New York.

Speaker Cannon was re-elected to congress. Missouri returned to the solid south. Pennsylvania gave Taft about 260,000.

Illinois gave Taft about 175,000.
