With the Toast and Tea

W

ith the toast and tea, the favorite courses in the menu of the day, comes a selection of toast and tea of the highest quality, carefully prepared and served to ensure maximum satisfaction.

The toast is made with the finest bread, baked fresh daily and selected for its exceptional texture and flavor. Each toast is carefully toasted to perfection, ensuring a delightful crunch and a rich, robust taste.

The tea is carefully selected for its aroma and flavor, offering a range of options to suit every preference. From classic black teas to aromatic herbal blends, our selection is designed to delight the palate and provide a soothing experience.

Together, these two courses create a harmonious pairing that enhances the overall dining experience, providing a satisfying conclusion to the meal.
