A CURE FOR RHEUMATISM.

Each recurring attack of rheumatism makes the disease harder to control, but the fact that it is not in itself dangerous causes people to neglect it, awaiting a change or a settled condition of the weather for relief. It is often only after the disease has become so serious as to interfere with business that the sufferer will seek more than temporary relief. Chamberlain's Liniment is a remedy for rheumatism which any one can apply. It not only gives prompt relief from pain, but in a large majority of cases it brings about permanent results. The first application will surprise and delight you as immediate relief is almost sure to follow. For sale by JOHN PREUSS.

that he has made arrangements for an old fashioned dance at the Rink on Thanksgiving evening. It will probably be one of the most novel and enjoyable dancing parties given this season. He has engaged the Seaside orchestra, consisting of seven pieces for the evening.

Meet Thursday Night.—Chairman C. A. Johnson and Secretary F. W. Reader of the Citizens' League, have sent out notices of a special meeting to be held Thursday evening in the Finnish hall. It is stated that business of importance is to come up.

Big Demand For Apples.—J. D. Benham, the Fairview orchardist, says that the demand for apples this year is excellent. He says that he could have sold twice as many as his orchard produced, at good prices.

Funeral Wednesday.—The funeral of Mrs. Weise who died yesterday in North Bend, will be held from the Temple & Wilson Undertaking Parlor in North Bend, Wednesday afternoon at 1:30, the Rev. J. E. Burkhardt officiating. Interment will be in the I. O. O. F. cemetery in Marshfield.

Father Is Dead.—W. F. McKee today received word that his father, John L. McKee, had died at midnight of paralysis at the old home in Piquax, Ohio. Mr. McKee was sixty-three years old. Owing to the great distance, it would be practically impossible for Mr. McKee to get there in time for the funeral so he will not go back now. Mr. McKee's many friends here will sympathize with him in his loss.

Play Thanksgiving.—The Marshfield Aerie of Eagles has arranged to have the Margaret Hies Company present the American comedy-drama, "The Man From Arizona," under its auspices at the I. O. O. F. Hall, Thanksgiving night. The proceeds, above expenses, will go to the Eagles Building fund. The play is a good one and one that the company appears at its best in and will undoubtedly attract a large number.

Saw Heney Shooting.—J. D. McNeill has just received a letter from J. A. Johnson in which the latter writes as follows of affairs in San Francisco: "I have been attending the graft trials pretty closely since they began and I think now that I can see Ruef's finish. Everything seems to be going against him of late. I was in the court room when Heney was shot. I happened to be sitting on the front seat, not over fifteen feet from Heney when he was shot. I was afraid he would not live but, thank the Lord, he is going to get well."

NORTH BEND CAUCUS.

Warm Time Expected In Making Nominations There This Evening.

The North Bend city caucus, which will be held this evening promises to be one of the warmest events of the kind that has ever been pulled off in municipal politics there. There are contests for every office with the possible exception of mayor, L. J. Simpson being likely to be the unanimous choice at the caucus for the position. There has been practically no change in the lineup of candidates. It is expected that a large number will participate and that some of the contests will be very close.

WANT SAUER KRAUT.

"Tip" to Coos County Ranchers to Raise Cabbage.

Kerr and Company, merchants of this town, have shipped from San Francisco sauer kraut and they are retailing it at a good price and it seems to have ready sale. This country will produce cabbage second to no other place we have ever seen, and it seems strange that it should be necessary to send to California for the produce that can be so easily raised here. If the farmers would get a move on and put up kraut they could easily find market for a large amount at their home towns and ship any surplus at a good profit.—Coquille Sentinel.

BIG BALL AT BANDON.

Large Number Attend K. of Dance.

BANDON, Ore., Nov. 24.—The Knights of Pythias ball in the Central hall, the swell event of the year in Bandon, was attended by a large crowd. Many Knights and ladies from outside Bandon were here and a goodly number of non-members especially invited for the season.
