

MARSHFIELD WINS CONTEST

Hose Team Defeats North Bend Department's Team Here Yesterday Afternoon

The Marshfield fire department's hose team yesterday afternoon defeated the North Bend department's team in a hose race on Front street by seven and one-half seconds. The contest was pulled off on the new paving and was witnessed by a large crowd. The time was Marshfield 31 1/2 seconds and North Bend 39 seconds.

The race was over a distance of 450 feet, including the laying of 150 feet of hose, making the coupling and getting water. Fred Johnson and Chief Clem Painter of North Bend, and Chief Tom Nicols of Marshfield acted as judges while J. L. Wilcox, Vince Pratt and Tom Nicols acted as timekeepers.

Chief Painter of North Bend, thought that his team ran under a handicap here and promptly challenged Chief Nicols for another race to be pulled off in North Bend New Year's Day. It was quickly accepted.

Following the race, the Marshfield department entertained the members of the North Bend department with their wives and sweethearts at a banquet and whist party at the I. O. O. F. Hall last evening. About fifty were present and the event proved a most enjoyable one. A program of toasts had to be dispensed with to enable the visitors to catch the late boat for home. At whist, the prizes were won by Mrs. Russel, Sam Johnson and Mr. Parker of North Bend and Mrs. Noah of Marshfield. Mrs. Jack Davis and Jack Mauzey carried off the consolation prizes.

The members of the Marshfield hose team in yesterday's race were: Geo. Thomason, Ren Noah, Ray Olivant, Wilkes Cavanagh, Dan Keating and Keenan. Traver and Albrecht on hydrant and Longstaff and George Gulovson on nozzle.

The North Bend team consisted of Chas. Eckhoff, Louis Loomis, Louis Struman, James Parker, Lee Heath, Cliff Martin, Ray Brainard, Seth Johnson, Jack Knowland and Percy Pratt.

HIGH SCHOOL TEAMS PLAY

Marshfield Defeats North Bend By Score of 7 to 0 Thanksgiving.

The Marshfield High School team defeated the North Bend High School on the North Bend grounds yesterday by a score of seven to nothing in one of the best football games of the season. North Bend showed up much better than in previous games and Marshfield played a little steadier game than usual. The game was witnessed by one of the largest crowds of the season.

In the first half, Rasmussen scored a touchdown for Marshfield and in the last half a safety was secured by Marshfield. The game was played mostly in the center of the field.

The lineup of the two teams was practically the same as in the previous games. In place of Hansen who quit the Marshfield team, Stutsman played quarter and showed up well.

James Cowan was umpire and Rasmussen and Cohen the timekeepers.

CITIZENS' LEAGUE CANDIDATES

PLATFORM OF CARL ALBRECHT AND THOMAS COKE. JOHN W. BUTLER'S PLATFORM.

Editor Coos Bay Times: I notice your remarks in the Saturday evening Times regarding views and standing of candidates for municipal offices, and in order that the voters of this city may know where I am at will say.

If I am elected for councilman on December 1st, I will stand for all judicious improvements of the city, bearing in mind at all times and seeing to it that the property holders who pay for the same, get one hundred cents worth of improvements for a dollar.

I will stand for reduction in the running expenses of the city government and increase of its revenue.

With the view of reducing the city's debt without bonding its property, I will stand for paying the old est city warrants first or in other words commence to pay from the right end, with a view of reestablishing the credit of the city, raising the value of its warrants, and giving everybody a square deal.

I am in favor of listening to the freemen's wants, and of improving the service by procuring such additional hose and other apparatus necessary for proper fire protection.

I am decidedly against bonding the city for current expenses.

I am in favor of open and public meetings of the board, and not in favor of granting any franchise affecting the rights of the city except after due notice to the citizens and with the sanction of the general public.

CARL ALBRECHT, THOMAS COKE.

Editor Coos Bay Times: Having received the nomination for city recorder at the regular caucus, I desire to say: That while I have lived on Coos Bay the best portion of my life, I have been attending to my own business, and never mixed up in politics, but since I am up for a public office, I deem it my duty to the voters of Marshfield to tell them whether I can fill the office if elected, for which I have been nominated.

Will say I am qualified to perform the duties of the office without the assistance of a deputy; and if elected I will see that the duties of the office are properly performed.

JOHN W. BUTLER.

VOTING "YES" ON THE CHARACTER AMENDMENT TO BE VOTED ON AT THE CITY ELECTION DECEMBER WILL MEAN AUTHORIZING A CITY INDEBTEDNESS OF \$100,000. DO YOU WANT IT?

TO MARSHFIELD VOTERS.
The platform adopted by the Marshfield Citizens League, which asks all desiring a better city to join it and aid in carrying out its aims is as follows:
"WE PLEDGE OUR CANDIDATES TO AN HONEST, STRAIGHT FORWARD, ECONOMIC BUSINESS ADMINISTRATION, AND TO REDUCE THE DEBT OF THE CITY IN ALL LEGITIMATE MEANS POSSIBLE."
