

A Clear, Steady Light,

such as will not dazzle or hurt the eyes, is given by one of our Frosted Electric Lamps. It gives a soft illumination without the glare so peculiar to gas and to the ordinary clear bulbs. Let us install a system of Electric Lighting in your home. You will find it much superior to all lamps in every way, and far better for the eyes of yourself and family. Our workmanship is thorough and our prices the standard of moderation.

ties attending the rehearsals declare it will be one of the best home talent productions ever given here.

Passengers Confused.—The Eureka which was scheduled to sail from here today for Eureka caused much confusion among a dozen or so passengers who were to make the trip on her by suddenly changing her schedule. She will not arrive from Portland until tomorrow but Agent Dow was not apprised of the change and he had all the passengers go to North Bend to go aboard. Soon after they reached North Bend, the change in the schedule was discovered and it is needless to say that there were several angry people, including F. S. Dow.
