

Great Holiday Sale of Jewelry

We would like to play Santa Claus and make real gifts outright to every family in Coos county, but while we cannot make the gifts outright, we make a gift of a big saving in price on every article sold by us. We now have on sale the finest line of jewelry, precious stones, silverware and cut glass ever offered to residents of Coos county, and we are selling

Better Goods at Lower Prices Than Were Ever Offered Here

We opened our handsome new store for business only a few months ago and while we have enjoyed an excellent patronage, we want every one to become acquainted with our goods and our prices. The Christmas time offers a fine opportunity to do so and we have resolved that at least one of our articles go into every Coos county home that Santa Claus visits this year.

Remember that our line is new and up-to-date, the first of it having been received from the eastern manufacturers less than six months ago. We guarantee every article sold by us to be just what it is represented to be. We have started in to build up a permanent business and we will do so if "square dealing" will do it.

Jewelry is generally recognized to be the GIFT OF GIFTS at Christmas time. Everybody likes some article of jewelry and it is something that does not fade away in a day or a week but does actual service for months or years to come and is a constant reminder of the donor.

Be sure and visit our store doing your Christmas shopping tours. Come in, look over our stock and get our prices, and get acquainted whether you buy or not. All we ask is that you kindly compare the Quality of our goods and our prices with what you have been getting and with what you have been paying.

Our Large Line Offers Suitable Gifts for Everyone

Another important thing for you to remember when you buy your Christmas gifts at Carleton's is that if you happen to get some article that is not just exactly what the person you bought it for desired, you have the privilege of exchanging it for something else or have your money refunded without argument or delay because we are here to stay.

GOOD EVENING.
 Do not despond, and say that
 the fond
 Sweet songs of your life have
 flown,
 For if ever you knew a song
 that was
 Its music is still your own.
 —Selected.

Outward Bound.
 Freight with fancy, golden, frail,
 There by the marge of day,
 The new moon rears a splendid sail,
 Filled with the breadth of the even-
 ing gale,
 And over the bar of sunset pale,
 Into the dreamlight gray,
 Fearlessly steers for the mystic
 deep—
 Into the night away.

Let us be sailing, soul of mine,
 Far from the cares of day—
 Unfurl your sail so fragile and fine,
 Filled with the breath of the night
 divine,
 And over the senses swift decline,
 Out of the dreamlight gray,
 Steer for the deep of the unplumbed
 sleep—
 Into the night away. —ANON.

About the meanest trick the aver-
 age girl can play a man is to be his
 sister.

A girl could feel romantic even
 over a love letter she had to write
 to herself.

The kind of dinner a woman en-
 joys is when it is hers and when you
 tell her how good it is.

The best man in the world would
 want to cuss once in a while just to
 make sure he is a human being.

A traveler in Curry County had
 been stowed away in the best bed
 the cottage afforded. Late in the
 night he was awakened by the voice
 of the paterfamilias addressed to the

daughter, who was entertaining com-
 pany by the fireside.
 "Mandy," growled the old man, "is
 that young man there yet?"
 "Yep, pap."
 "Is he got his arm round yer
 waist?"
 "Yep, pap."
 "You-all tell him to take't away."
 "Aw, ye tell him yerself, pap," re-
 plied the girl, in a dull lifeless voice.
 "He air a plumb stranger to me."
 A woman can have a grand time
 writing a letter unless there is some
 news to put in and take up room
 she needs to tell about how the baby
 is just as cunning as ever.

Sentimental lovers who have the
 word "Mizpah" engraved in their en-
 gagement rings will be shocked to
 learn that the literal meaning of
 "Mizpah" is: "The Lord keep you
 from flirting or mean tricks when I
 am not near to watch you." It is a
 symbol of suspicion instead of trust.

 A little knowledge is an especially
 dangerous thing when possessed by

 There are said to be only seven
 original jokes, but the greatest joke
 of all is that they never wear out.

more at the bottom.
 Nothing makes woman distrust a
 man's judgment so much as the dis-
 covery that he doesn't consider her
 attractive.
 Optimism is that quality by virtue
 of which we expect a man to enjoy
 a joke on himself.
 Many a man makes a bare living
 by persuading others that he knows
 how to make a fortune without work.
 "A good day's work," said the
 Devil.
 "What have you done?" said the
 Chief Clerk.
 "I have invented the installment
 plan."
