REPORT SEVENTY-FIVE DEAD IN COLLISION IN COLORADO

OCTOBER 13, 1889.

ROSEBURG, ORE.

The wreck of the Pacific Limited, which occurred here yesterday, on the Oregon Southern Railroad, resulting in the loss of seventy-five lives, is one of the most appalling disasters in railroad history. The train, carrying a large number of people on the Oregon coast excursion, derailed and fell into a deep gully, killing and injuring many people.

NEWS FROM PORTLAND

PORTLAND, ORE.

The Oregonian reports that the Pacific Limited, which was wrecked yesterday, was carrying a large number of people on the Oregon coast excursion. The train derailed and fell into a deep gully, killing and injuring many people. The death toll has risen to seventy-five, making it one of the most appalling disasters in railroad history.
