MARSHFIELD SCHOOL NEWS

The Eighth Grade are studying square and cube root.

The High School Literary Society meets Friday evening at the school house.

Mrs. Dodge and two children visited the receiving department on Tuesday of this week.

The Second Grade have done some good work in free hand cutting of a circus parade for a blackboard decoration. A camel by Roland Noble and an elephant by Alton Grant are particularly good.

Sixth Grade—Dorothy Horton, Jamesina Hibbard, Lydia Holm, Amil Mattson, Alfred Juttstrom, and Besie Douglas have done some excellent work in drawing animals of North America in connection with geography work.

The following pupils of the Fourth Grade made 90 or more in the examinations for this month:

John Cook, Lillian Cook, Eva Hutchinson, Rudolph Nieme, Wesley Seaman, Dennis Sorensen, Monroe Upton, Lewis Wickens.

The following pupils of the Third Grade made 90 or more in all the examinations this month:

Zoe Dolan, George Englund, Ruth Juzar, Woner Kronquist, Elzie Lingo, Herman Montgomery, Stanley Seagren, Norman Wilson.

The Eighth Grade held a debate on Friday last. The boys took first the affirmative then the negative and succeeding in winning the girls both times, as they have in every other contest held during the year. Miss Lyon states this is unusual as the girls in the preceding classes have won over the boys.

The following pupils in the Second Grade made over 90 in a spelling examination this week:

Leona Post	101
Mabel Lingo	99
Alton Grant	99
Helen Gulovson	95
Dorothy Bachtel	95
Preston Mael	93
Lizzie Erickson	91

A Coos Bay teacher was examining a class in grammar:

"Stand up, Johnnie, and make me a sentence containing the word 'seldom,'" she said, pointing to a small urchin.

Johnnie paused as if in thought; then, with a flush of triumph on his face, replied: "Last week father had five horses, but yesterday he seldom."

The basketball managers have arranged a series of games to be played within the next two weeks. On the evening of January 23, at North Bend, the Marshfield High School girls' team of the North Bend High School. During the latter half of the same evening the boys team of the Marshfield school will play a boys' team from the Miller-Cleaver Business college.

The Marshfield boys' and girls' teams will play the Myrtle Point High School boys' and girls' teams

respectively at Myrtle Point on January 27, the Coquille High School boys' and girls' teams at Coquille on the 29, and the Marshfield girls' team will play the Bandon girls' team at Bandon on the 28. The Bandon rules state that all participants in a match game must be High School students, and, as some of the members of the Marshfield boys' team are grammar school pupils, a game could not be arranged.

The girls' team lineup is as follows:

Center—Belva Flanagan.
Forwards—Myrtle Downer.
Guards—Nellie Tribbey, Syneva Sorenson.
Subs—Rose Wall, Alice Curtis.
The boys' team lineup:
Center—Harold Briggs.
Forwards—Gordon Rasmussen, Stanley Briggs.
Guards—Walter Asplund, Ed. Weider.
Subs—Fred McCormac.

NICOLS AGAIN CHOSEN CHIEF

Honored By Reelection As
Head of Marshfield Volunteer Fire Department.

Tom Nicols was last night honored by being re-elected chief of the Marshfield Volunteer Fire Department. U. G. Keenan was chosen assistant chief.

For sometime, it was agreed that Messrs. Nicols and Keenan should be elected by practically unanimous vote and in consequence few of the firemen planned to turn out last night. When some of the members saw that there was going to be a slight attendance, they planned to play a good joke on Mr. Nicols by having someone else elected chief with the understanding that he would resign in a week in Mr. Nicols' favor. It was started and Dan Keating was selected to play the part. However, the plan fell down some place, Keating getting only four votes while Nicols received five. For assistant chief, U. G. Keenan received eight votes and Dan Keating one.

NOT FIT TO BE CITIZEN.

California Court's Opinion of Man Who Squandered Money.
REDDING, Cal., Jan. 22.—Because an applicant for citizenship papers who has lived in Modoc county six years and earned \$35 a month during that time admitted to the court that he had saved nothing, but wasted his substance in riotous living, Judge Raker of Alturas has refused to grant him the right to become an American citizen. The applicant was fully qualified in every other way, but told Judge Raker that he had spent his earnings on liquor and gambling, whereupon the court rejected his petition.

DON'T FORGET the PRIZE DANCE at the Knights of Finland Hall, January 23d.

Quality and Prices

Are the twin foundation stones on which our growing business is built?

FIRST—The best meat that can be produced.

Malthoid Roofing

Saved the lumber, coal, and building plant of A. I. Schowalter & Co., of Basted, Kan., from fire last March. The south wind blew the flames from a barn filled with hay directly on the sheds of this company. These sheds were roofed with Malthoid, while the sides were covered with corrugated iron. The heat was so intense that it ignited the wood back of the corrugated iron and it was only with difficulty extinguished. The fire-resisting qualities of Malthoid Roofing saved the roof, which was subjected to the most heat. Malthoid Roofing is fire-resisting and durable.
