How One Doctor Successfully Treats Pneumonia.

"In treating pneumonia," says Dr.
W. J. Smith, of Sanders, Ala., "the
only remedy I use for the lungs is
Chamberlain's Cough Remedy. While
of course I would treat other symp-
toms with different medicines, I have
used this remedy many times in my
medical practice and have yet failed
to find a case where it has not con-
trolled the trouble. I have used it
myself as has also my wife for coughs
and colds repeatedly, and I most
willingly and cheerfully recommend
it as superior to any other cough
remedy to my knowledge." For sale by
JOHN PREUSS.

BAD SEASON FOR COLDS.

Colds and grip were quite pre-
valent last winter and Chamberlain's
Cough Remedy was in great demand
and performed some remarkable
cures. Mrs. Mary J. Robinson of
Cameron, W. Va., says: "Last win-
ter I was taken with one of the aw-
fullest colds I ever had in my life. I
could not speak above a whisper and
was very hoarse. I was afraid it
was going to be pneumonia. I took
one bottle of Chamberlain's Cough
Remedy and in three days was lots
better and could talk. I did not
take but the one bottle and it cured
me. I now tell everybody about
Chamberlain's Cough Remedy and
the good it did me." For sale by
