"MONTE CRISTO."

"Monte Cristo" will be given a sumptuous production tonight at Masonic Opera House by the Lee Willard Company. Every attention will be given to details and the stage settings will receive the most artistic investitures. The full strength of the company will appear in the play. No doubt the Opera House will be crowded to see this beautiful costume play. The company is an excellent one and deserving of crowded houses at each performance.

Malthoid Roofing

Saved the lumber, coal, and building plant of A. I. Schowalter & Co., of Halstead, Kan., from fire last March. The south wind blew the flames from a barn filled with hay directly on the sheds of this company. These sheds were roofed with Malthoid, while the sides were covered with corrugated iron. The heat was so intense that it ignited the wood back of the corrugated iron and it was only with difficulty extinguished. The fire-resisting qualities of Malthoid Roofing saved the roof, which was subjected to the most heat. Malthoid Roofing is fire-resisting and durable.
