

Professional Pharmacy

You would not think for a moment of employing a physician who is not a graduate of a reputable college of medicine.

Should you not exercise the same care in the choice of a pharmacist to fill your prescriptions?

Professional college training is as necessary in one case as the other.

IT COSTS NO MORE, AND IN MANY CASES LESS to have your prescriptions filled at our store where only the HIGHEST GRADE OF DRUGS are used and where every prescription is filled by a GRADUATE IN PHARMACY.

Take Notice

We pay no commissions to physicians on prescriptions. We'll have more to say on this subject later. Bring us all your prescriptions no matter who writes them.

LIKE LEGAL TENDER.

A Times want ad. is always a fair exchange for its cost, because a Times want ad. is the best of all small advertising. They are not expensive; on the contrary, results considered, a Times want ad. is the least expensive of any kind of advertising. There can be no better advertising on Coos Bay than a Times want ad. at five cents per line per issue. Results count.

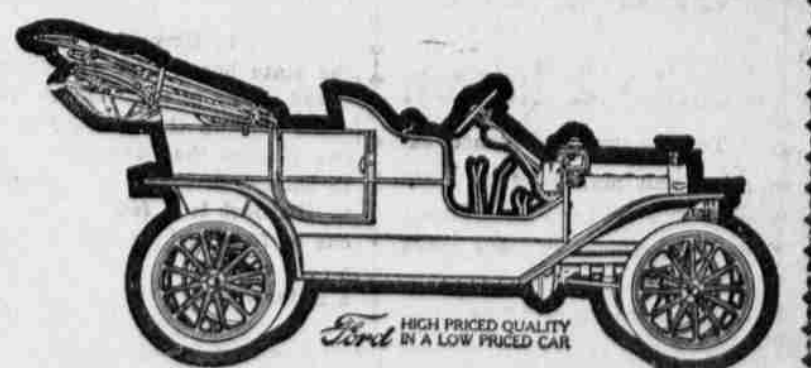

Get what you want by using a Times want ad.

I have a lot of
