NEWS FROM ALL OVER COOS COUNTY

NEWS OF COQUILLE.

Events of Interest in Valley As Told By The Herald.
Grandma Bennett, of Myrtle Point, is very low, and owing to her advanced age—79 years, it is not expected that she will recover.

Mrs. E. E. Hayes, of North Bend, was a Coquille visitor on Saturday, having come over to see her mother, Mrs. G. A. Brown.

Through a misunderstanding we were a little too hasty in announcing the appointment of W. L. Kistner as dairy inspector. The appointment has not been made, but we hope it may.

Mr. and Mrs. J. W. Leneve took their departure on the last steamer Elfield and are now in San Francisco and Oakland looking about and visiting. Mr. Leneve has the offer of a good position.

Frank Hill, a prominent business man of Seattle, Wash., but formerly a lumberman of Humboldt county, Cal., and friend of our sawmill man, Alfred Johnson has been here several days visiting Mr. Johnson and looking the country over.

H. C. Dorris, formerly of Arago, who recently purchased a farm near Creswell, on the Sluslaw, arrived in town Thursday and spent a few hours greeting old friends. He will return soon taking with him his daughters, Misses Etta and Eva.

Edward Boyd arrived here Monday from Salt Lake, Utah, and will make an extended visit with his family. Mr. Boyd is still nursing a hand which he had nearly destroyed last winter. He is a conductor running out of Salt Lake, and one frosty morning he stepped from his train to the frozen grounds when his feet slipped, and in putting his hand back to break the fall it went onto the track and the car wheels passed over it almost entirely destroying the hand. He had been in a hospital four months.

MYRTLE POINT POINTERS.

News of Upper Valley As Told By The Enterprise.
It is reported at Gold Beach that John Whorey, who represents Bissinger & Co. of Portland, has bought the last year's wool and mohair clip of Curry county, and has contracted for the future clip.

Mrs. M. C. Barnes, her son-in-law, E. L. Thompson, and her grandson, Myron, left Monday morning for Grants Pass. They were taken as far as Roseburg by L. E. Rose. They had been stopping at the home of Mrs. Barnes' brother, L. C. Bargelt, for some time.

George B. Morgan of this city, is celebrating the arrival of twin boys at his home on Sunday, the 4th. It has been said that the twins are about as fine a pair as has been shown in this section, and Mr. Morgan fully agrees with the verdict.

Eckley Guerin, who is to join the Alaskan surveying party with his brothers, arrived last Friday from Needles, California, having walked in from Roseburg. He states that the road is in fairly good condition and with a few more days of dry weather will be open to travel.

A daughter was born to Mr. and Mrs. Eli Friedenburg at their home on the Middle Fork on Thursday, the 1st. If this was an April fool joke it must have been on Mr. Friedenburg's brother, Henry, who welcomed a daughter on the 30th, and may have thought that he would have the one and only baby daughter in the family.

Ruby, the little eight-year-old daughter of Ralph Winningham, died at the St. Agnes convent in Oregon City, April 3, and was buried April 5 in that city, membranous croup and pneumonia being the cause of her death. Mr. Winningham left here on the stage Saturday night for Oregon City, but was too late to see his little daughter alive.

The Stage Company began driving through between here and Roseburg the latter part of the week. During a portion of the winter mails

have been packed through the canon, and it is a matter of credit to the present management that they have been unusually prompt in the delivery of mails, only one day being missed during the winter. With the work to be done on the road the present season the service will undoubtedly be better next winter, and it is possible that the stage can be driven for a longer period.

CULLINGS OF COQUILLE.

News of County Seat As Told By The Sentinel.

Miss Lucia Sperry, daughter of Judge E. D. and Mrs. Sperry, returned from college in the east last Friday morning after an absence of two years.

L. A. Mills and wife left for Marshfield yesterday from which place they will sail on the Breakwater for Portland, bound for their old home on Salmon River in Idaho.

F. S. Slagle and Nick Lorenz have purchased the "Dime" from Lou Mills and have changed the name of that popular pastime resort to the "Scenic." The Dime was always a popular theatre and there is no doubt that under the new management the Scenic will be equally popular.

Chas. C. Hertz and Hazel L. Moore were united in marriage at the South Methodist parsonage Wednesday evening at 8 o'clock, Rev. C. H. Cleaves officiating. Only a few intimate friends were present. The newly wedded couple will make their future home in Bandon where Mr. Hertz is in the bakery business.

Several of our citizens met at the city hall Tuesday and affected preliminary organization of an Initiative and Referendum League. They elected J. E. Quick temporary secretary, and appointed J. A. Davenport, Hark Dunham, E. O. Howe, Geo. Moulton and S. L. Curry as a committee on constitution and by-laws.

How One Doctor Successfully Treats Pneumonia.

"In treating pneumonia," says Dr. W. J. Smith, of Sanders, Ala., "the only remedy I use for the lungs is Chamberlain's Cough Remedy. While of course I would treat other symptoms with different medicines, I have used this remedy many times in my medical practice and have yet failed to find a case where it has not controlled the trouble. I have used it myself as has also my wife for coughs and colds repeatedly, and I most willingly and cheerfully recommend it as superior to any other cough remedy to my knowledge." For sale by JOHN PREUSS.

Micro kills the parasite, soothes the itching scalp, gives lustre to the hair and stops it falling out. A single application gives relief and proves its worth. Save your hair before too late. Micro prevents baldness. It is a delightful dressing for the hair, free from grease and sticky oils. Ask your druggist for free booklet.

Foley's Orino Laxative is best for women and children, as it is mild, pleasant and effective, and is a splendid spring medicine, as it cleanses the system and clears the complexion.—**RED CROSS PHARMACY, JOHN PREUSS, Prop.**

BAD SEASON FOR COLDS.

Colds and grip were quite prevalent last winter and Chamberlain's Cough Remedy was in great demand and performed some remarkable cures. Mrs. Mary J. Robinson of Cameron, W. Va., says: "Last winter I was taken with one of the awfullest colds I ever had in my life. I could not speak above a whisper and was very hoarse. I was afraid it was going to be pneumonia. I took one bottle of Chamberlain's Cough Remedy and in three days was lots better and could talk. I did not take but the one bottle and it cured me. I now tell everybody about Chamberlain's Cough Remedy and the good it did me." For sale by JOHN PREUSS.

During the spring every one would be benefitted by taking Foley's Kidney Remedy. It furnishes a needed tonic to the kidneys after the extra strain of winter, and it purifies the blood by stimulating the kidneys, and causing them to eliminate the impurities from it. Foley's Kidney Remedy imparts new life and vigor. Pleasant to take.—**RED CROSS PHARMACY, JOHN PREUSS, Prop.**
