# GREAT INTEREST MANIFEST IN FRIDAY NIGHT'S BIG BOU

## Coos Bay Fans Are All Taking a Lively Interest in the Bout Between Carranza and Sax, the Two Undeclared Coast Champions---Large Attendance Expected.

FRED SAX

LOU CARRANZA.

When Lou Carranza of Eureka, who has cleaned up everything in this section and is perhaps as fast a man as ever held down the title in this neck of the woods, and Fred Sax, the crack-amateur of the coast, and who has never been defeated, meet tomorrow night in the ring at the Rink there promises to be something doing. Great interest is being centered in the event by locals fans, and a record-breaking attendance is expected. E. L. Phelan of Myrtle Point, has been selected as referee and J. R. Herron, master of ceremonies. There will be a big delegation present from the Valley, the fans there taking as much interest

in the match as they are on the Bay. All Coos Bay fans are more or less familiar with the record of Carranza who has never gone down but to one defeat and Sax has a string of victories to his credit that makes him the undisputed champion of the Pacific coast in the Amateur class. "Preceding the main event there will be short bouts which will be interesting and warmly contested. Eddie Parsons and Kid Brown of well-known reputation in sporting circles as clever boxers, will be the principals in the preliminaries, and considerable side money is being

placed on the outcome. Carranza and Sax are both confident and still stick to their original statements that each feels himself the better man. Here is what they say:  
**CARRANZA STATEMENT.**  
To J. R. Herron:—"With the contest only two days off, I find myself in the best condition I have ever been for any of my contests on Coos Bay, therefore, I expect to make Mr. Fred Sax take the count of 10 before 15 rounds. By saying this, I am not underestimating Sax any, as he is a young man and should put up a good stiff

defense and for that reason I have been training steady since I got on the 12th of last month. I am not going into details about science as everybody on Coos has seen me at work."  
**"LOU CARRANZA."**  
**STATEMENT BY SAX.**  
To J. R. Herron:—"I have trained faithfully for coming contests and I am in the best condition and fit to put up the best of my life and expect to win for the 20th round is reached."

When you have pains or lameness in the back bathe the parts with Chamberlain's Liniment twice a day, massaging with the palm of the hand for five minutes at each application. Then dampen a piece of flannel slightly with this liniment and bind it on over the seat of pain, and you may be surprised to see how quickly the lameness disappears. For sale by JOHN PREUSS.

Mrs. Willard, mother of Mrs. Delos Woodruff of Euchre Creek, will, on the 13th of next June, arrive at the 96th anniversary of her birth. For the past 10 or 15 years Mrs. Willard has been practically helpless and dependent upon the devoted nursing of her daughter, with whom she lives, and while she is now both blind and deaf the fires of life still burn strong and she bids fair to pass the century mark.

A peculiarity of the devil fish is that it does not lay thousands or millions of eggs at a time, but normally produces a single young one at a birth and nourishes it in the fashion of mammals.

### THE THEATRE.

The Times was somewhat in error a recent issue when it stated that the Coos County Stock Company composed of the Baker Stock Company players Manager Butler forms us that some of them had been playing with that company Mr. Mong himself having closed his engagement on Saturday last, the other members of the company were secured from some of the strongest stock organizations in the Northwest including the Lu Theatre Stock Company of Butte, Mont. The Lois Stock Company of Seattle, and Baker's people of Portland. The above should be guaranteed sufficient that they must be high class, legitimate and capable. The class of plays to be produced will be new to the people of this community with the exception of the "Clay Baker," Mong's own play. This bill met with great success throughout the eastern and southern states as played by Mr. Mang a few years ago it was not the intention of the company to produce this bill for the opening night but many patrons of the Opera House have requested it and Manager Butler has consented to do so. The company will arrive on the Breakwater Thursday night but will not open until Saturday giving them time for a good rest. Tickets are now selling and from the way they are going at this early date, the house will be crowded on the opening bill!
