THERE are two ways to be sure of getting pure all-wool clothes. One way is to pay high prices; the other is to buy CLOTH-CRAFT CLOTHES—the only guaranteed all-wool line in America at \$10.00 to \$25.00.

All wool is as important in the quality of good clothes as solid gold is in jewelry.

CLOTHES made of pure, all-wool fabrics hold their shape best and wear longest. In CLOTH-CRAFT CLOTHES, for men and young men, the high standard of the all-wool fabric is maintained in every other feature of the garments—in style, fit, linings and workmanship.

Malthoid Roofing

Mr. A. L. Baird, Gen. Mgr. Princes Court Proprietary, Limited, Melbourne, writes as follows: "I have much pleasure in informing you that the Malthoid lining of our Chute Lake has proved, after three months' severe testing, highly successful, and, as far as I can judge, is entirely watertight, the only loss of water appearing to be from evaporation and splashing."
