BAD SEASON FOR COLDS.
Colds and grip were quite prevalent last winter and Chamberlain's Cough Remedy was in great demand and performed some remarkable cures. Mrs. Mary J. Robinson of Cameron, W. Va., says: "Last winter I was taken with one of the awfullest colds I ever had in my life. I could not speak above a whisper and was very hoarse. I was afraid it was going to be pneumonia. I took one bottle of Chamberlain's Cough Remedy and in three days was lots better and could talk. I did not take but the one bottle and it cured me. I now tell everybody about Chamberlain's Cough Remedy and the good it did me." For sale by JOHN PREUSS.

How One Doctor Successfully Treats Pneumonia.
"In treating pneumonia," says Dr. W. J. Smith, of Sanders, Ala., "the only remedy I use for the lungs is Chamberlain's Cough Remedy. While of course I would treat other symptoms with different medicines, I have used this remedy many times in my medical practice and have yet failed to find a case where it has not controlled the trouble. I have used it myself as has also my wife for coughs and colds repeatedly, and I most willingly and cheerfully recommend it as superior to any other cough remedy to my knowledge." DALLAS, Tex., Apr. 1, 1909 via Seattle, Wash.
O. L. Hopson, Marshfield, Ore.:
Account the very large business that is developing on and around Great Lakes that we have not anticipated or expected and the large increased foreign demand coupled with the recent contracts covering the China Empire. I shall on my return to New York call the executive board together to consider a further advance in the price of stock to take effect at once or not later than May 1st. I feel the committee would be justified in advancing to fifty. C. C. WILSON,
President United Wireless Telegraph Company.

BORN.

ECKHOFF—To Mr. and Mrs. John Eckhoff of Bangor, a daughter, Tuesday, April 20.

Sunday Services.—Rev. Sumerlin of North Bend, will preach at the Danville Creek church next Sunday morning at 11 o'clock and a cordial invitation is extended to all persons in that section to attend.

Pleads Not Guilty.—Milo Pierson of Ten Mile, who is accused by Deputy Game Warden Cal. Wright of killing deer out of season, appeared before Justice Pennock this morning and pleaded not guilty. Owing to Prosecuting Attorney Lilljevist being busy in circuit court, the date for trial was not set.

Father Is Dead.—Will Kolm of the Breakwater office received the sad intelligence this morning that his father was dead at the old home in Schuyler, Neb. Mr. Kolm expects to go there if he can make connection to reach home in time for the funeral. The news came as a great shock to him as he was not aware that his father had even been ill.

Tide Lower Today.—Today's tide was even lower than yesterday, dropping about four inches below yesterday's low mark. It will now gradually increase until the low tides of May when the year's low mark is reached.

Lease Ranch.—Ed. Sullivan and Will Sullivan who recently came here from Fond du Lac, Wis., have leased the E. J. Coffelt ranch on Coos River near the forks and have taken possession of it. They are brothers of Mrs. F. A. Haines.

Young Couple Weds.—George McNelly and Miss Josie Trewella left this morning for Coquille where they will be quietly married. Miss Trewella is a daughter of Joseph Trewella and has been a waitress at the Blanco and the groom travels for a San Francisco wholesale furniture firm. They will leave on the M. F. Plant next week for Frisco where they will make their home. Many friends unite in wishing them a long and happy future.

Court Opens Friday.—There will probably be an exodus of attorneys from the Bay to Coquille tomorrow to attend the opening session of the April term of court at which Judge Coke will preside. Friday and Saturday will be devoted to motions, etc., the jurors not being assembled until Monday. It is likely that the case started by R. A. Graham against the local railway will not be heard until June when Judge Coke will exchange places with Judge Harris or Judge Hamilton, Mr. Coke being unable to preside at the trial owing to the fact that he is named as one of the defendants.

POSTAL CARDS; new series just in. 68 Central Avenue.

Matters pertaining to the county exhibit at the Seattle fair were discussed, the most important action taken being to have 75,000 pamphlets setting forth the advantages of Coos county, printed for distribution at the fair.

Prowler Causes Fright.—Residents of South Broadway near California have complained to Marshal Carter of a midnight prowler who has been molesting them for the past week. Several persons who have gone home late believe that an unknown party was trying to get the drop on them to hold them up and other say that someone has attempted to get into their house at night. One nightwatchman thought he discovered him the other night but the party made a race for it and got away although the nightwatchman fired three shots.
