(Continued from page 3)

work week will.

Henry C. Fickett, a banker of Yuba City, Cal., says "During the past 15 years Malthold Roofing, Inc. has been an absolute necessity to the city of Coos Bay. In the past 15 years we have sold more than 10,000,000 square feet of material." Malthold Roofing has been in business for 15 years. The company has a staff of 100 men and women who work year-round. The company uses the latest technology in its production process, including computerized machinery and automated systems. Malthold Roofing is a leading manufacturer of roof tiles, asphalt shingles, and metal roofing systems.

Favor Boise Coos Bay Road

In the past, there has been a lack of maintenance of the roads in the Coos Bay area. The company is proposing to build a new road from the north to the south. This will provide better access to the coastal areas and improve the existing road conditions. The company is also proposing to upgrade the existing roads with better drainage and safety features. The company is working with local authorities to ensure the project is completed in a timely manner.
