A. N. W. Club.—The A. N. W. Club will meet Thursday afternoon at the home of Mrs. F. P. Norton.

May Build Soon.—Wm. Grimes is figuring on erecting a two-story brick on his property across from the Chandler hotel. He has not definitely made up his mind but if he can secure suitable tenants, the building will be erected at once.

Back From Ten Mile.—Hugo Quits, Lawrence Holmberg and wife, Enoch Holmberg, Miss Jennie Holmberg and Alvin Lofgren returned yesterday from Ten Mile where they enjoyed a few days fishing and outing.

To Initiate Many.—Marshfield Aerie of Eagles is arranging to initiate a class of 100 here about June 24. The event will be made the occasion of some of the most ostentatious ceremonies the lodge has ever held here.

Will Wed Tomorrow.—Announcement is made that Edwin Barker, a well-known Coquille Jeweler, and Miss Lucia Gould will be quietly married at the home of the bride's parents, Mr. and Mrs. Geo. A. Gould, near Allegany. The young couple will reside in Coquille.

Mrs. Simpson Ill.—Capt. A. M. Simpson who was expected here from San Francisco yesterday, did

not arrive. It is understood that Mrs. Simpson is quite seriously ill at a sanitarium near San Francisco and that her condition would not permit Mr. Simpson to leave her at this time.

Resume Work.—Marshfield Aerie of Eagles is arranging for the resumption of work on its new building on South Second street. Unless something unexpected develops, the work will probably be resumed this week. It is planned to build it by day labor, Al. Hall being selected to superintend the construction.

Funds For Baseball.—Messrs. Burkhart and Matson are out today with a subscription list to raise funds for repairing the baseball grounds and grand stand. They are meeting with fairly good success. It is hoped to have the grounds in condition so that a game may be played here with North Bend next Sunday.

Wright Not Guilty.—After a number of witnesses had been examined yesterday in Justice C. L. Pennock's court, Cal Wright was found not guilty of the charge of assault on Jake Matson. Mr. Matson told the story of the alleged assault but not another of the many witnesses called would admit that there was an assault, so Justice Pennock dismissed the case.

Hearing Thursday.—Justice Pennock has summoned Milo Pierson of Ten Mile to appear in court Thursday afternoon to answer the charge of killing deer out of season. The case against Pierson was made by Cal Wright, deputy game warden. It is expected that Deputy Prosecuting Attorney Liljeqvist will be here from Coquille to prosecute the action.

Must Make Affidavit.—Cal Wright, deputy game warden, today received a letter from County Clerk Watson notifying him that henceforth all applications for hunting and fishing license must be accompanied by an affidavit from the person desiring the license showing that he complies with the provisions of the law. Heretofore no affidavit has been required, merely the payment of the fee being necessary.

HOME CURE FOR ECZEMA.

Oil of Wintergreen, Thymol, Glycerine, Etc., Used as a Simple Wash.

It really seems strange that so many people suffer year in and year out with eczema, when it is now no longer a secret that oil of wintergreen mixed with thymol, glycerine, etc., makes a wash that is bound to cure.

Old, obstinate cases, it is true, cannot be cured in a few days, but there is absolutely no sufferer from eczema who ever used this simple wash and did not find immediately that wonderful soothing, calm, cool sensation that comes when the itch is taken away. Instantly upon applying a few drops of the wash the remedy takes effect, the itch is allayed. There is no need of experiment—the patient knows at once.

Instead of trying to compound the oil of wintergreen, thymol, glycerine, etc., in the right proportions ourselves we are using a prescription which is universally found the most effective. It is known as the D. D. D. Prescription, or Oil of Wintergreen Compound. It is made by the D. D. D. Co. of Chicago, and our long experience with this remedy has given us great confidence in its merits.—RED CROSS DRUG STORE, John Preuss, Prop.
