BRIEFS OF BANDON.

News of City-By-the-Sea As Told By The Recorder.

W. H. Thomas, the well-known logger, was in town Tuesday. Mr. Thomas states that he has sold his ranch at Fishtrap to D. C. Krantz of Gravel Ford. Mr. Thomas and J. H. McVey will leave shortly for Old Mexico where they will engage in stock raising. They will go overland to Crescent City.

C. Timmons is tearing down part of the old cannery building, and will erect a new modern two-story building 40x108 on his new foundation east of the Panter building. There will be a store room on the first floor and the second floor will be fitted up for rooming and office apartments. This will be a substantial structure and will add greatly to the business section of Bandon.

F. A. Holman made a blast of the remaining rock that was on the inside of the Coquille river bar Wednesday noon, but owing to the ruffled condition of the water, he has been unable to go down since to see what the result of the blast may have been. Indications are, however, that the blast was successful and the rock removed. The blast was a good one and the slight beautiful to behold. The water was sent up into the air like a great geyser and spread out over the river to a considerable distance.

WILL PLAY BALL.

Myrtle Point Fans Arrange For Team This Year.

The Myrtle Point Enterprise says: "A meeting of baseball enthusiasts was held and the matter of getting up a team and placing Myrtle Point in the league was discussed. Coquille is anxious for baseball and is also anxious that Myrtle Point should be in the game. The fans of the county seat were represented at the Myrtle Point meeting by Charles Everlin, Charles Baxter, Wm. Howell and Dr. C. W. Endicott. E. C. Roberts was elected chairman of the meeting and A. H. Bender secretary. A committee consisting of E. C. Roberts, A. H. Bender and C. L. Bender was named to canvass the situation and report at a subsequent meeting. "Another meeting was held Wednesday evening when the first evidence of enthusiasm was shown. C. L. Bender and J. C. Roberts had been making a solicitation and surprised the boys by reporting that after a canvass of about half an hour a subscription of \$117.15 had been raised with more in sight. A. H. Bender was elected manager of the team and J. P. Johnson, C. C. Carter, Dr. S. C. Endicott, and J. C. Roberts were named with him to act as a board of directors. Arrangements toward securing a ground and band stand are now in progress. A. H. Bender and E. C. Roberts have been named as a committee to confer with the other teams of the county regarding league arrangements."

NEW MARITAL LAW.

Matrimonial Candidates Must Prove Fitness in Washington.

SPOKANE, May 29.—That they are physically and morally fit to wed is what prospective brides and bridegrooms in the state of Washington will have to show by June 1 before any county auditor can issue marriage licenses.

The new law provides also that women must be of legal age, fixed at 18 years, and men 21 years; also that the parent cannot give consent unless the girl is more than 15 years of age.

The penalty for giving false information or performing such marriage is a fine of not more than \$1,000 or imprisonment in the state penitentiary for not more than three years, or both.

It is also provided that no woman under 45 years of age or man of any age, except he marry a woman of more than 45 years, either of whom is a common drunkard, habitual drunkard, epileptic, feeble-minded, idiot or insane person, or formerly afflicted with hereditary insanity, or is afflicted with pulmonary tuberculosis or any contagious disease, shall intermarry or marry any other person within the state.

NEWS FROM ALL OVER COOS COUNTY

MYRTLE POINT POINTERS.

Upper Coquille News As Told By The Enterprise.
Mr and Mrs. Krantz welcomed a daughter to their home at Gravel Ford on Saturday, the 22nd.

Prof. and Mrs. R. E. Baker expect to leave Tuesday for Lincoln, Kansas, where they expect to spend the greater portion of the summer.

The Myrtle Point boys' ball team, with Mr. Pierson as manager, went to Coquille Saturday to play a return game with Dr. Fees' boys and came home with another victory, having defeated the Coquille team by a score of 29 to 17.

Along with the other signs of awakening in Myrtle Point is talk of reorganizing the band. There is good musical talent in the city and there is no reason why the Fourth of July, ball games and other events should not be enlivened with good music.

W. J. Nelson of Seattle, who was here Wednesday was much pleased with Myrtle Point. He said, "Myrtle Point and Empire are the two best little towns on the coast. I am pleased to note that there are no rowdies or evidence of rowdism on your streets. Everyone is going about attending to their own business and it is the kind of town that a stranger likes to see."

An exceedingly vigorous lodge of Owls was organized in Myrtle Point Sunday afternoon by E. H. Raymond a representative of the order. The new lodge starts off with a charter membership of 155, and succeeded in taking the \$100 prize for the largest lodge in Coos county. Organization took place at the Smith hall where the following officers were duly elected and installed: P. L. Phelan, junior past president; W. E. Pike, president; W. Lee Ray, vice-president; J. L. Laird, invocator; W. M. Carver, warden; R. L. Weekly, treasurer; Ray Haines, secretary; E. E. Farber, picket; R. C. Endicott, sentinel.

CURRY COUNTY NEWS.

Events South Western Oregon As Told By Port Orford Tribune.

John H. Deadmond was taken to Gold Beach Sunday, by deputy sheriff Eugene White, to be examined for insanity.

The coast streams are very low for this time of the year, in fact not running any more water than is usually the case in mid-summer.

The family of C. W. Kumwalt, who have been spending the winter in town schooling the children, moved out to their Sixes River home yesterday.

Eugene Schetter and family were at the Knapp hotel Monday night, returning to Wedderburn after a few weeks' visit on Coos Bay. Mr. Schetter will again engage in cold storage work on Rogue River.

Dr. Schlemann was called to Euchre Creek last Saturday to see D. L. Moore. As Mr. Moore has been in poor health for the past year as the result of a stroke of paralysis his condition is considered very grave.

PLAN TO CELEBRATE.

Myrtle Point Will Have Old Fashioned Fourth.

MYRTLE POINT, Ore., May 29.—A meeting of business men and citizens was held at the city hall when it was finally determined that Myrtle Point would enjoy a genuine rip-roaring celebration of the Fourth of July. E. W. Hermann was made chairman of the meeting and W. E. Pike secretary. The soliciting committee that had succeeded in securing pledges of something more than \$100 was continued and C. C. Carter, Dr. J. L. Masson and E. W. Hermann were named as members of the executive committee to have full charge of the work of arranging for a celebration. It was also reported that the Seaman tract had been engaged and that the race track could be developed.
