

Great Clearance Sale of Millinery at MRS. A. G. AIKEN'S

During the rest of this month I am going to sell all of my trimmed hats at a great reduction from regular prices. This is not an advertising dodge but a genuine clearance sale as ladies can quickly learn by seeing these hats and getting the prices. A Fancy line that sold from \$6.00 to \$10.00 each will go at this sale from **\$3.00 to \$5.00**

Also a large assortment of hats that sold from \$12.00 to \$35.00 will be sold at wholesale prices

Eastside.—The Eastside W. C. T. U. will meet Thursday afternoon at 2 o'clock at the school house.

Council Tonight.—The Marshfield city council will meet tonight to take up a number of matters, including the new city charter.

For Auto Line.—Wm. Wade and others are figuring on purchasing a large auto and instituting a regular automobile service between Roseburg and Coos Bay.

Come Overland.—J. E. Oren and family and Mrs. Oren's sister are expected in via Roseburg tomorrow. Mr. Oren had his private rig go from here to meet them.

Eastside Won.—Eastside defeated Sumner at Eastside Sunday by a score of eight to six. In the afternoon, Eastside defeated the Bay City and mill team by a big score.

Is Improving.—J. F. Rush of Beaver Hill, who has been confined to the general hospital in this city as the result of getting a splinter of steel in his eye is reported improving.

Herron Improving.—The many friends of Robert Herron will be pleased to learn that he is recovering rapidly from the effects of the second operation on his leg and it is hoped he will be out of the hospital soon.

Meet Today.—A meeting of the directors of the Coos Bay, Boise and Idaho Railway is being held this afternoon to discuss various phases of the project. Chief Engineer F. A. Haines left yesterday for Camas to join his surveying crew.

Raise Many Berries.—A. H. Powers is now gathering a big crop of strawberries off his ranch on Cunningham creek. Last year, he had 10,000 boxes off the ranch and the crop this year promises to be as bountiful. The bulk of the crop is used in the logging camps and boarding houses of the C. A. Smith Company and the Smith-Powers Logging Company.

Will Visit Here.—H. W. Painter is in receipt of a letter from his boyhood chum, J. R. Cottingham stating that he and his family and possibly a few other friends will reach here the latter part of July for a month's stay in this section. Mr.

Cottingham is now general solicitor of the Santa Fe Railroad for Oklahoma and resides at Guthrie. He is one of the leading attorneys in Oklahoma. Previous to coming here, they will visit the Seattle fair.

Return Here.—Messrs. Lafon and Lagerstrom of the reforestation department of the C. A. Smith mill, have returned from a trip through the company's timberlands between here and Roseburg. They will thoroughly inspect all of the holdings before deciding on their plan of work.

L. J. Simpson Home.—L. J. Simpson returned last evening on the M. F. Plant from San Francisco where he has been looking after business interests. He could not be reached today to ascertain what basis there actually was for the stories or rumors concerning the North Bend mill deals.

Strawberries May 7.—In a business letter to this office C. H. Chandler of Bandon, writes of his intention to continue enjoying the beautiful Coos county climate as he has for the past twenty-four years, and announces that he enjoyed ripe strawberries from his own garden May 7. Can anyone beat this record?

Shaw Orchardist.—F. S. Dow has received a letter from L. W. Shaw, for a number of years a well-known resident of Coos Bay, in which he states that he has purchased a twenty-acre orange grove at Exeter, Cal. He and Mrs. Shaw have moved out onto the ranch and are delighted with their new home as well as the prospects of the fruit business.

Prominent Elks Here.—H. A. Sully, secretary of the Elks Lodge at Berkeley, Cal., and D. W. McLoughlin, a prominent Elk of East Richmond, Cal., are visiting on the Bay. Mr. Sully is on a vacation trip and his presence here at this time is particularly welcomed at this time by the local Elks who are preparing for the installation of a lodge here.

Hot In Ohio.—W. F. McKee of the Flanagan & Bennett Bank, who is visiting at his old home in Piqua, Ohio, writes that he is having a delightful visit but that he and the people back there would give anything for a brief visit of the cooling northwest breeze that makes summer so delightful on Coos Bay. He won't start on the return trip until the latter part of the month.

Joe Milner's Luck.—Fame or fate has a grudge against little Joe Milner. Last year Joe passed honorary in his grade but by some slip of teacher or printer his name did not appear in the published list. Joe smiled and hoped for better luck next time. This year he not only passed but did so with honors being first in his class. Again did perverse fate refuse him the fame he had so honestly earned and his name was again omitted. Never mind Joe, you are learning early the lesson that it is not always the man who merits approval who receives the applause. Remember it is better to be worthy without fame than unworthy with it and in real life as in school it is better to win the prizes than to receive the applause.

NORTH BEND NEWS

The North Bend W. C. T. U. will meet at the Presbyterian Christian Endeavor rooms on Union avenue, on Wednesday at 2:30 p. m.

Wild blackberries are ripening rapidly and as there is promise of an abundant crop the berry pickers will doubtless, soon be busy.
