

LAN BIG RACE MEET AND CARNIVAL HERE IN SEPTEMBER

MARSHFIELD PARTIES ARRANGING FOR WEEK'S PROGRAM OF SPORT AND FUN. NOTHING DEFINITE HAS BEEN DONE YET. PROMOTERS MAY MERGE SEVERAL TOURNEYS WITH SPECIAL ATTRACTIONS.

Preliminary arrangements are under way for pulling off a big carnival and race meet in Marshfield early in September. The matter has not passed beyond the preliminary stage yet but unless something unexpected interferes, it will undoubtedly be a go.

G. W. Carleton, who has been very successful in handling matters of this kind, is a leading spirit in the project and he will undoubtedly have the support of the local commercial bodies and others in making it a go. Local horsemen are in favor of it and it is likely that the Coos County Racing Association which has just concluded a successful meet here will have charge of the races.

Tom Nicols, chief of the Marshfield fire department, has been endeavoring to arrange a Coos County Firemen's tourney for this fall in which Bandon, Coquille, Myrtle Point, North Bend and Marshfield shall participate.

The W. O. W. lodges of the county are arranging for a big "Log Rolling" in Marshfield to be held the first week in October, probably, and may be this can be merged with the carnival. The W. O. W. lodges were talking of a water carnival in connection with their doings and this would make an attractive feature of the other program.

Mr. Carleton is in hopes of being able to bring in a good carnival company or perhaps a real circus, something that has never been exhibited in this section.

ARCHBISHOP IS COMING HERE

Rt. Rev. Archbishop Christie of Portland, to Visit Coos Bay Soon.

Rt. Rev. Archbishop Christie of Portland, will arrive here next week for a week's stay in this section. Word was received here today to this effect.

He will arrive at Gardiner next Saturday, early Sunday morning to dedicate the Catholic church there. He will also administer confirmation to a class there. He will be met at Gardiner by the Rev. Father Curley from North Bend. Two other priests will accompany him on his visit to Coos county.

From Gardiner, they will come to North Bend early in the week and they will probably remain there during their visit on the Bay. A week from Sunday, he will administer the sacrament of confirmation to a class in Marshfield.

SPECIAL RACES RUN YESTERDAY

Horse Owners at Fairgrounds Pull Off Three Running Events.

Yesterday afternoon, three good special running races were pulled off at the Fairgrounds, the owners having arranged the events when the Coos County Association decided the track was too muddy for the regular card of running and harness races. The track was too heavy for fast time and a little slippery but the events were pretty closely contested, especially the half-mile dash between Cossett, the Abbey and Dr. Rowell.

In the three-eighths mile dash, Utica was an easy victor over Axerbend which had been played heavily as winner by W. W. Cardwell and others. Axerbend got in where it was a little muddy and apparently quit.

King Kohr was comparatively an easy victor over Macbeth in a half-mile dash although Macbeth showing lead many to believe that with the proper riding Macbeth would have lead King Kohr under the wire.

In a day or two, many of the horses on the track will be taken to other sections. Messrs. Hill and Beaulieu will take their jumpers, Mary Dunn and Utica, back to Eureka Thursday and enter the county fair meets in that section. They and Jockey Enos are feeling very well satisfied with the outcome here, Enos having rode some victories against long odds.

The half-mile dash between Cossett, the Abbey and Dr. Rowell in :50 1/2 is said to be record time considering the condition of the track. Prince Frederick and Cossett by some are believed to be "ringers." Prince Frederick, parties who saw the races at Independence, Oregon, say bears a close resemblance to Pacific who won the honors there and also to Bramish who won honors on eastern tracks some time ago. Both Prince Frederick and Cossett are believed to be considerably speedier than any of their races here showed. At any rate, they are a pair of mighty good jumpers and local horse admirers are glad they saw them.

George Herron received advices from Independence that Prince Frederick had run there under the names given above and also that Cossett had run there as "Little Nell." Cossett and The Abbey sold as two-year-old colts for \$2,000 and \$3,500 apiece but were picked up by Boynton as bargains after they had caused their previous owners some trouble.

Some of the horses here will be taken to British Columbia to follow the races there.

George Herron has been figuring on taking his horses there and then making the Montana circuit but owing to advices received a few days ago, he may hold back for the Umpqua Valley circuit. F. P. Norton has not announced his plans for his string.

The summary: Three-eighths mile dash. Utica (Beaulieu)..... 1 Azerbend (Cardwell)..... 2 Time—:39 1/2. Half-mile dash. King Kohr (Cardwell)..... 1 Macbeth (Seeley)..... 2 Time—:53. Half-mile dash. Cossett (Boynton)..... 1 The Abbey (Rhodes)..... 2 Dr. Rowell (Herron)..... 3 Time—:50 1/2.

SAYS SUTTON WAS STABBED

MYSTERIOUS DEATH OF YOUNG OFFICER TO BE INVESTIGATED OWING TO CHARGES MADE BY HIS MOTHER.

(Special Long Distance Telephone to The Times.)

WASHINGTON, D. C., July 6.—Owing to sensational disclosures concerning the death of Lieutenant Jas M. Sutton, formerly of Portland, Ore., who was killed in October, 1907, under mysterious circumstances, an investigation has been ordered. At the time, it was first given out that he had been killed by his horse and later an investigating body reported it to be suicide.

Now, however, Mrs. Sutton, the mother of the deceased, claims to have evidence to show that he was murdered while returning to the barracks from an auto ride. She claims that in a quarrel while returning to the barracks in an auto with other officers, Sutton was stabbed and killed.

VICTIM MAYBE COOS BAY MAN

GEORGE WILDER OR WILDEN FOUND DEAD NEAR KALAMA, WASH.

KALAMA, Wash., July 6.—Another mystery that will probably never be solved, was discovered by a Cowlitz county farmer. While driving to this city he came across the body of a man lying on the side of the hill with the top of his head literally shot off. He notified the authorities. At the coroner's inquest it was decided that the deceased came to his death either by accident or suicide. He was a man of about 30 years of age. He had registered the day before at the Kalama hotel under the name of George Wilder of Wilden.

When found the body was still warm. His gun, a 30-30 caliber, was lying between his legs and his hat near by had blood spattered upon it. The hat had been purchased at Marshfield, Ore. There were tattoo marks of a crescent upon the right arm, and a woman upon the left arm.

Besides the carbine he carried a dagger about 10 inches in length. He also had a full box of cartridges, with the exception of the one that had been fired, and which evidently caused his death.

Thirty-five cents in money was found upon his person. There were no papers or other belongings by which he might be identified. The coroner took the body to Kelso for burial.

HERMANN WANTED FOR MAYOR. ROSEBURG, Ore., July 6.—Friends of Binger Hermann are exerting their efforts in the hope of inducing him to accept the nomination for Mayor on the Republican ticket this fall. Mr. Hermann is at present non-committal on the subject.

FIGHT HERE IN SEPTEMBER

Carranza and Neill Sign Up For Bout Before Departure Today.

Articles of agreement for a twenty-round bout between Al Neill and Lupie Carranza who fought a twenty-round draw here Saturday night, were signed today. The bout is to be pulled off at the Skating Rink in September under the management of John Herron. While Labor Day has been the one talked of for the event, it is likely to be arranged for the carnival week. Mr. Herron guarantees a \$1,000 house.

P. L. Phelan was agreed to by both as the referee and each posted a forfeit to comply with the agreement. Some wanted it earlier but Carranza refused owing to having split one of his knuckles in the last bout.

Today Carranza left for his home at Watsonville, Cal., where he will visit for a month or six weeks after which he will return here to train. Mr. Neill also left on the Plant today, going to Frisco to look after his business there.

There had been talk of arranging a bout between Neill and Chas. Jost but when it was found that Neill and Carranza were anxious for another go at each other at the earliest possible date, the Jost challenge was held back.

The next bout will be for a decision, the mutual understanding being that if there is no knockout inside of twenty rounds and the referee is unable to give his decision, the bout will be continued five or ten rounds.

Carranza had planned for a bout with Kid George at Sacramento during his trip south but under the agreement signed last evening, neither he or Neill is permitted to engage in a bout before the next one here. Carranza plans to bring back his brother "Beans" Carranza to train with him. The latter was recently knocked out by Kid Carter in the twenty-second round of what was to have been a forty-five round bout at Los Banos, Cal.

HENEY IN AUTO WRECK.

San Francisco Prosecutor's Companions Hurt.

CASTLE ROCK, Wash., July 6.—The automobile in which Francis J. Heney and party were riding from San Francisco to Seattle overturned one mile north of this city. Jack McCarthy, Mr. Heney's bodyguard, sustained a crushed ankle, and Dr. S. O. Beardsley's back was severely sprained. Neither Mr. Heney, his chauffeur or Hon. Fred W. Mulkey, former United States senator, were hurt beyond a few bruises and a shaking-up. Mrs. Heney was not a member of the party, having gone from Portland to Seattle by train.

The accident occurred at a dangerous turn on a bad grade. All of the occupants were thrown violently to the ground and McCarthy and Beardsley were pinned underneath. The least hurt of any of the party, Mr. Heney, hurried to this city as fast as he could on foot and secured physicians. His arrival and departure were so quiet that the news of the accident did not become generally known until two or three hours after it happened.

ILLNESS FOLLOWED A SLIGHT OPERATION

GAINED EDUCATION BY STUDYING NIGHTS WHILE WORKING ON THE SECTION.

(Special Long Distance Telephone to The Times.)

NEW YORK, July 6.—Congressman F. W. Cushman of Tacoma, Wash., died at the Roosevelt hospital here at 5 o'clock this morning of pneumonia following a slight operation. Saturday night, he rallied and hope for his recovery was revived but yesterday he sustained a relapse and remained unconscious until death came. He had been ill five days.

The death of Mr. Cushman marks the passing of a self-made man in every sense of the word. Born in 1867 in Brighton, Ia., of poor parents, he was thrown on his own resources at an early age. At sixteen he was working on the section and studying at night. By night study, he succeeded in obtaining an education and was admitted to the bar in Nebraska in 1891. Later he moved to Washington and in 1898 was elected to congress.

RUMOR LAUNCH DRIVEN ASHORE

UNVERIFIED REPORT THAT SMALL BOAT WAS DRIVEN IN AMONG BREAKERS NEAR BASTENDORF'S BEACH THIS AFTERNOON.

Word was received in North Bend about 3:30 this afternoon that a gasoline launch had been driven among the breakers off Bastendorf's beach, near where the schooner Marconi was wrecked a few months ago, and was being pounded to pieces.

No details or confirmation of the report was obtainable. At Empire little credence was given the report as two members of the life saving crew had just come direct there and they had not heard of the trouble.
