

8 DAYS SALE 8

at the HUB CLOTHING & SHOE CO.

A sale never before equalled for prices and quality. Will be our
FIRST SEMI-ANNUAL CLEARANCE SALE!

After a very successful season, it has left us with odd and broken sizes in every department. We positively will not carry from one season to the next, one dollar's worth of merchandise. Then, how are we going to do it? There is only one thing that will move a stock and move it quick, and that is price.

This Great Sale Commences Saturday, July 10 and Lasts Eight Days, Closing Saturday, July 17.

Now is your opportunity. If you want anything in men's wearing apparel, ladies' or children's shoes, do not wait! For we say again there will not be a dollar's worth of Spring stock left after Saturday night, July 17th. We do not claim that we have every size in every suit that you will see listed. If we had every size you would not buy them for the price that you see them advertised at. But we have every size of suits. Some only one and others two and three of a pattern. The same in shoes, shirts and underwear. This is a **CLEAN UP SALE** of odd and broken sizes. You will find every article marked in plain figures at the price it formerly sold for and the price now. If we do not save you from 25 to 40 per cent on every purchase, do not buy it. **CASH ONLY, MONEY TALKS.**
