COLD CREAM

If skillfully made of materials of absolute purity, is one of the finest preparations for the skin. Cures chapped hands and face sunburn, and all roughness or redness.

We are proud of our cold cream because it is the best it is possible to make. Many ladies walk several blocks out of their way to purchase it. Pretty good indication that it is a good cold cream, isn't it?

Gets New Shafts.—The Wilhelmina will have new steel shafts put in her this week at North Bend, it being decided that the steel would be more powerful than the brass shafts now in service. The change will be made without delaying her.

At Roseburg.—Wm. G. Chandler, J. E. Stark and wife, Marshfield; N. E. Medley, Geo. H. Robinson and wife, J. M. Nye and wife, J. S. Lyons and wife, Coquille; Wm. Gallier, Bandon; Dr. S. C. Endicott, Myrtle Point; are recent arrivals at the McClallen.—Roseburg Review.

Makes Bicycle Trip.—Superintendent L. R. Alderman, a professor in the state university, and Chas. H. Jones, editor of the Oregon Teachers' Monthly, expect to take a trip to Coos county to attend a teachers' institute at Coquille and will leave Roseburg by bicycle.—Salem Statesman.

M. F. Plant Sails.—The M. F. Plant sailed last evening for San Francisco with a capacity load of freight and passengers. In the freight cargo, there was 400 tons of coal, 300 tons of cement, 100 tons of box shales, about 25 tons of butter and cheese and considerable miscellaneous freight.

E. M. Andrew Returns.—E. M. Andrews returned yesterday from Roseburg to try and close up leases on land to start drilling for oil here. He has been looking after a coal mine interest in the Willamette valley which a syndicate was trying to buy, but which he decided was so good that he would have to keep it. Mr. Andrews says that just as soon as the leases on 50,000 acres can be signed, Messrs. Mundy and Perkins will put an outfit here and drill at least 3,000 feet for oil.
