**Women Suffer Agonies
from Diseased Kidneys
And Most Women Do This Not Knowing the
Real Cause of their Condition**

These poor, suffering women
have been led to believe that their
misery of mind and body is entirely
due to "ills of their sex." Usually
the kidneys and bladder are
responsible—or largely so. And in
such cases, the kidneys and bladder
are the organs, that need and must
have attention.

Those torturing, enervating sick
headaches, dragging pains in back,
groin and limbs, bloating and swelling
of the extremities, extreme
nervousness or hysteria, listless-
ness and constant tired, worn-out
feeling—are almost certain symptoms
of disordered and diseased
kidneys, bladder and liver.

DeWitt's Kidney and Bladder
Pills have, in thousands of cases,
been demonstrated as remarkably
beneficial in all such conditions of
female organism—affording the
most prompt relief and permanent
benefit.

As an illustration of what these
Pills will do, Mrs. P. M. Bray of
Columbus, Ga., writes that she was
very ill with kidney trouble, and
that she is now well—and that
these Pills are what cured her.
They are very pleasant to take,
and can, in no case, produce any
deleterious effects upon the system
—as syrupy, alcoholic, liquid prep-

arations are apt to do.
E. C. DeWitt & Co., Chicago, Ill.,
want every man and woman who
have the least suspicion that they
are afflicted with kidney and bladder
diseases to at once write them,
and a trial box of these Pills will
be sent free by return mail post-
paid. Do it to-day.

Banks Close.—The Banks of
Marshfield will be closed Friday af-
ternoon on account of the holiday for
the Oregon-Idaho Development Con-
gress.

Repair Breakwater.—On her next
trip to Portland the steamer Break-
water, will have considerable repair
work done to her.—Portland Tele-
gram.

Fog Delays Vessel.—Owing to the
dense fog prevailing late yesterday
and last night, the Nann Smith was
unable to get out until today for Bay
Point.

Send In Exhibits.—Many fine ex-
hibits are being brought into the
Chamber of Commerce today. Z. T.
Siglin brought in some fine Graven-
stein apples. The Coos Bay Creamery
sent in some nice cheese and the

Beaver Hill Coal Company has put
in some new exhibits.

Brown Coming.—District Attor-
ney Geo. M. Brown left for Coos and
Curry counties to attend circuit
court. Reporter I. B. Riddle will
follow.—Roseburg Review.

Presbyterians Picnic.—The Pres-
byterian congregation and Sunday
school are enjoying a picnic at Good-
will's today. A large number made
the trip up the river and were pre-
pared for a delightful outing.

Improves Property.—Jay Mont-
gomery is having his residence prop-
erty on Commercial avenue in West
Marshfield terraced and otherwise
improved, making it one of the most
attractive in that section.

Is Quite Ill.—Albert Able, who
sustained a serious injury to his limb
a couple of years ago, has been suf-
fering considerable trouble from the
member lately and the physicians
fear he will have to undergo an
operation soon.

Funeral Today.—The funeral of
Lloyd Robertson, the young son of
Mr. and Mrs. Robert Robertson of
Mays, who was drowned at Ten
Mile Tuesday, was held this after-
noon and was largely attended. The
services were held at the grave.

Start Grading.—Torrey and
Householder have begun the grading
of the west end of Planagan street.
They will have to move about 3,500
yards of dirt which will complete
the grading of that thoroughfare.
Whether it will be planked or paved
with bituminous rock has not been
decided.

Fine Window Display.—G. N.
Bolt has one of the cleverest win-
dow displays seen here in a long

time. It represents the Coos Bay,
Boise and Eastern Railroad and Na-
vigation Company. A train of cars
and an engine just coming out of a
tunnel, a steamship in the distance,
a flagpost with "Boise 447 miles"
and a crossing watchman make the
scene complete.

Is Very Ill.—Harry Baldwin, the
Bandon pioneer who has been mak-
ing his home at Mercy hospital in
North Bend, is reported critically ill.

Boys Recovers.—Glen Ray, the
young boy who was seriously injured
by being thrown from a horse near
the Coos River Creamery last week,
is reported improving.

Deer Hunters Return.—C. A. Lee,
Lot Harpole, A. M. Peters and D. L.
Foote returned last evening from a
week's deer hunt south of Myrtle
Point. They secured four deer as
trophies of the chase, C. A. Lee get-
ting two, Harpole one, and Foote
one. It sounds like a fish story but
they all stick to it that Peters shot
the biggest buck but the wound did
not prove fatal and he got away.
They had a big time and their
friends are enjoying venison as
proof of their prowess with a gun.

Charivari Clarey.—D. A. Curry
fixed up a joke on Jack Clarey and
a bunch of boys last evening by in-
forming the latter that Mr. Clarey
was married and that he and his
bride were at home near Second and
Curtis avenue. In consequence, a
hundred youngsters, more or less,
with all the noise-making parapher-
nalia imaginable made that section
resound for hours in a vain effort to
see the bride and get the treats.
Clarey and residents of that section
are looking for Curry today with
blood in their eyes.

**SAN FRANCISCO GAS COMPANY
PAYS FOR BLOWING UP OF
BRADLEY HOME WHICH OR-
CHARD CONFESSED TO.**
(By Associated Press.)
SAN FRANCISCO, Aug. 19.—After
five years of litigation, the San
Francisco Gas and Electric Company
has accepted the confession of Harry
Orchard now serving a life sentence
for Governor Steunenberg's murder
in Idaho, as a perjured statement
and today the corporation paid to
Attorney Walter H. Linfurth \$13,-
904 for damages sustained upon his
property in 1904. During the trial
of Orchard, he told of having at-
tempted to kill Fred W. Bradley, an
enemy of the Western Federation of
Miners, by blowing him up with dy-
namite. At the time mentioned, Brad-
ley was living in Linfurth's house.
Linfurth contended that the explo-
sion was due to defective gas fixtures
and obtained a judgment for over
\$10,000. After Orchard's confes-
sion, the Gas Company corporation
sought to obtain a new trial based
on his confession. The appellate
court however refused to reverse the
decree and the case has been drag-
ging along until the judgment was
satisfied today.

**HOUR OF GAME
MAY BE CHANGED**

**Fats and Leans Find Attraction
Conflicts With Excur-
sion Tomorrow.**

This afternoon, there was some
apprehension as to whether the Fat
and Leans baseball game will be
pulled off Friday afternoon at the
Depot grounds owing to the event
conflicting with the excursion down
the bay. Mgr. Burkhardt of the Fats
is in Bandon and Manager Hunter of
the Leans was unable to determine.
It is likely that will be held either
at 10:30 or 2:30 as, owing to the
large number who want to partici-
pate, a second game between the
clubs is necessary to give them all
a trial.

The probable lineups will be as
follows:

Fats.	Position	Leans
G Ferrey	1b	F Denning
Jack Flanagan	3b.	C S Dodge
Tom James	2b.	Al Hite
J Snyder	ss.	G A Brown
J Neil	c.	C Chase
Burkhardt	p.	F E Hague
T Nicols	lf.	W R Haines
Al Powers	cf.	H J McKeown
G Matthews	rf.	C Powers

For the "Fats," Manager Burk-
hardt has reserved Peter Mirrasoul,
J. Albert Matson, John Heron, Col
Grimes, Dorsey Kretzer and Bob
Bedillion of Bandon as subs. For
the "Leans," Manager Hunter has
reserved W. H. Kennedy, Walter
Lyon, R. Keller, Cell Ireland, Wm.
Ekblad, R. O. Graves, George Good-
rum, L. D. Pettyjohn, Dr. Dix and
Carl Davis as subs.

NOVEL RECORD IN BASEBALL

**Sager Plays In 506 Consecutive
Games for the Evansville Club.**
James Sager, third baseman of the
Evansville, Ind., Central League
team, holds a record that no other
ball player has probably ever earned
since the introduction of the game.
Since joining the Evansville squad
he has played in 506 consecutive
games.
Sager was traded by South Bend,
Ind., to Evansville in 1906 and has
never missed a game since becoming
a member of the nine. During the
last four seasons he has never spoken
harshly to an umpire, has never
suffered a bruise or an injury and
has never known a sick day.
