GIVE BANQUET TO TEACHERS

Institute Closes at Coquille— Plan Summer School Here.

COQUILLE, Ore., Aug. 20.—The annual session of the Coos County Teachers Institute came to a close last evening with an entertaining program and a banquet tendered the visitors by the people of Coquille. The directors of Coos county met with state Superintendent Ackerman Thursday to discuss means of improving the sanitary conditions of the schools.

For Summer School. Among the many good things considered by the District Board Convention, the following resolution passed by unanimous vote is doubtless the beginning of great things for the educational interests of this country.

"Resolved, That it is the sense of this convention that a committee of five be appointed by the County Superintendent of which he shall be chairman, to devise means for the holding of a summer school annually in the county for the special training of teachers in methods of teaching."

This committee as selected consists of Superintendent Bunch, Judge Sehlbrede, F. A. Goldea, A. G. Raab, W. D. Reedy.

PAPER RAILROADS.

According to actual count, just 840 papers railroads have been built into Coos county in the past six months. But we're going to get one of the real steam or electric ones before many months, if we can predict right. Coos Bay is too grand a harbor and the Coquille is too rich in agricultural resources to be left out in the cold much longer.—Myrtle Point Enterprise.

STEAMER FLYER will leave at 8:30 Sunday morning for Charleston Bay. Everybody come.

WILL BUILD PHONE LINES

Kenwill Company Organized to Build From Cooston and Inlets Here.

The Kenwill Telephone Company has been organized by residents of Cooston, Haynes Inlet, Willanch Inlet and Kentuck Inlet to build a phone line from those sections to Marshfield where they will connect up with the Marshfield Home Telephone Company. The line will be started within a few days and it will be rushed to completion.

The ranchers on the inlets and the residents of Cooston have had no means of communication with Marshfield and North Bend except by boat so that the phone lines will be of great advantage to them.

The officers of the new company are:

President—A. G. Raab of North Bend.

Sec. and Treas.—W. E. Homme of Cooston.

Directors—C. C. Johnson, V. Stauf and W. F. Ray of Cooston and Willanch and Sherman Gamble and Abe Anderson of Kentuck Inlet.

PRISONER DRAWS CLAIM.

Former Myrtle Point Man In Jail at Portland Wins Homestead.

The Myrtle Point Enterprise says: "Charles A. Marcy, formerly a Myrtle Point man, but now one of the boarders at Kelly Butte, Multnomah county, is one of the prize winners in Uncle Sam's great land lottery for the Coeur d'Alene reservation. His name appears as No. 1681. As he is under an eight months' sentence at the rockpile for larceny, he was not able to register in person, but he is a veteran of the Spanish war and this gave him the right to register by power of attorney. He will be out in plenty of time to make his selection of land if he decides to take a claim."

BALLINGER IS "CLEAR BILL"

Acting Secretary of Interior Pierce Says Ballinger Didn't Decide Alaska Case.

(By Associated Press.) WASHINGTON, D. C., Aug. 20.—Acting Secretary Pierce of the Interior Department, today broke the silence hitherto maintained regarding the part taken by Secretary Ballinger in the case of the Cunningham Coal entries in Alaska. Secretary Pierce stated that soon after Ballinger assumed office, he told Pierce that previous to his (Ballinger's) appointment as secretary, he had been called in to consultation regarding these cases and that he would have nothing to do with them when they came up officially, but that he would turn them over to Pierce and the commissioner of the General Land Office. Since coming into office, Pierce states, Ballinger has had nothing to do whatever with these cases and that all matters regarding them have been handled either by himself or by the General Land Office.

DEATH AT BANDON.

The Bandon Recorder says: "Fay La Prele Moore, aged 1 year and 2 days, died at the home of her parents, Mr. and Mrs. J. B. Moore, on August 13, at 1 a. m., in a convulsion. She passed away before help could arrive. This is a sudden blow as the child had not been sick."
