The Value of Good Digestion

Is easy to figure if you know what your stomach is worth. Kodol keeps the stomach at par value, by insuring good digestion. Kodol cures Dyspepsia.

Kodol insures good digestion by absolutely duplicating Nature's normal process, in perfectly digesting all food taken into the stomach.

While Kodol is doing this, the stomach is resting—and becoming strong and healthy. A strong and healthy stomach guarantees a sound and active brain.

The man with a sound stomach—a stomach that is doing for the body just what Nature intended it to do—is the man who is always prepared for any emergency. He is "there with the goods."

The man with a sick stomach, is a man sick all over. When the stomach is irritated by undigested food, the blood and heart are directly affected. Then dizziness, unnatural sleepiness, sick-headaches, vertigo and fainting spells, and even serious brain trouble develop. Kodol will prevent these.

Organize Friday.—Cyrus H Walker returned today from Norway where he attended a big picnic of the Coquille and Myrtle Point granges Saturday. Judge Sebbrede of Marshfield, Blinger Hermann of Roseburg and Mr. Walker were the principal speakers. Mr. Walker has called a meeting of the ranchers in this section to be held at the Marshfield Chamber of Commerce Friday at 10 o'clock to organize a grange here.

Boy Loses Eye.—The young son of George Kenniworth of Denark, Curry County, underwent an operation at the Marshfield General hospital to have his eyeball removed. The operation was successful and the little fellow is getting along nicely. While playing with some children near his home, he had an open knife in his hand. In running through the brush, he stumbled and fell, the knife blade penetrating the eyeball.

Was Joyful News.—"The Times last evening beat the doctor out of a fee" said Mrs. Wilson of South Broadway this morning. "I didn't know a word about Bobbie's great victories at Roseburg until we read it in The Times. I had been feeling poorly all day and had just told them to telephone for the doctor when the carrier boy brought the paper. It was such joyful news that I forgot about being sick and we didn't get the doctor at all."

Gets Big Salmon.—F. S. Dow Sunday landed an eighteen pound salmon while trolling near the Goodwill ranch on South Coos River. After a hard fight, the salmon

stranded on a sand bar and Mr. Dow jumped out of the boat and scooped the fish up on the bank with his hands. Mrs. Dow and the children and Alex Campbell and wife were along and Alex says he never saw a more excited man than Dow was, but as usual, F. S. didn't let anything escape.

Coos Bay Baby Winner.—That proud and haughty look which W. M. Cox wears these days is because of news from his wife who is visiting in Eureka to the effect that their seven months old baby Edward Calvin won the first prize, as the biggest, brightest and most beautiful baby at an Eagles picnic recently held in Eureka. There were something like two score of Eureka's handsomest babies entered in the contest and the fact that a Coos Bay baby won even with California judges is something of which the Bay may be proud and Will is receiving congratulations from his many friends.

The death of Mrs. Bode is a sad blow to the family and friends. Mrs. Bode was thirty-four years old.
