JUST AS GOOD FOR LESS. WHY?

CASH ONLY! MONEY TALKS!

When a merchant tells you he has the best suit, the best pair of shoes, or that any article that he sells is better than that of his competitors, you know that he is not telling you the truth. One man cannot buy all the good merchandise. If he could there would be only one merchant handling first class goods. There are hundreds of manufacturers that make good merchandise and a great many more that make cheap merchandise. Now do you think that one or two stores can buy all the good or get only the best? We say not and leave it to you to make us prove it. We do not claim to have ALL OF THE BEST THERE IS MADE, BUT WE DO CLAIM, AND WILL PROVE IT TO YOU, THAT WE HAVE THE SAME VALUE FOR LESS MONEY, OR BETTER VALUE FOR THE SAME MONEY. Now you ask us why we sell for less. We have no losses. Cash only. Money talks. There are several stores in Marshfield that have good clothing, but they cannot buy all the best there is made. If there were ten times as many stores in Marshfield handling good clothing as there are, there would be some good lines that are not carried here. We do not claim to have all the best there is made. What we do claim is that WE HAVE AS GOOD AS MONEY CAN BUY. We will save you money on every purchase. We are not going to try and tell you all the names of the manufacturers that we buy from. We buy as good as we can get for our money. You should surely have the same privilege as we. If we do not save you money, do not buy.
