**Women Suffer Agonies
from Diseased Kidneys**

And Most Women Do This Not Knowing the
Real Cause of their Condition

These poor, suffering women
have been led to believe that their
misery of mind and body is entirely
due to "ills of their sex." Usually
the kidneys and bladder are re-
sponsible—or largely so. And in
such cases, the kidneys and blad-
der are the organs, that need and
must have attention.

Those torturing, enervating sick
headaches, dragging pains in back,
groin and limbs, bloating and swell-
ing of the extremities, extreme
nervousness or hysteria, listless-
ness and constant tired, worn-out
feeling—are almost certain symp-
toms of disordered and diseased
kidneys, bladder and liver.

DeWitt's Kidney and Bladder
Pills have, in thousands of cases,
been demonstrated as remarkably
beneficial in all such conditions of
female organism—affording the
most prompt relief and permanent
benefit.

As an illustration of what these
Pills will do, Mrs. P. M. Bray of
Columbus, Ga., writes that she was
very ill with kidney trouble, and
that she is now well—and that
these Pills are what cured her.

They are very pleasant to take,
and can in no case, produce any
detrimental effects upon the system
—as syrupy, alcoholic, liquid prep-

arations are apt to do.
E. C. DeWitt & Co., Chicago, Ill.,
want every man and woman who
have the least suspicion that they
are afflicted with kidney and blad-
der diseases to at once write them,
and a trial box of these Pills will
be sent free by return mail post-
paid. Do it to-day.

Will Start Fish Market.—John
Fenoglio of Bandon, was in Marsh-
field today on his way to Empire on
business. Mr. Fenoglio and Frank
Timmons are perfecting arrange-
ments to open a retail fish market
in Bandon at an early day.

Can't Come.—Word was received
from the ministers of North Bend
this morning, that they cannot be
present at the Union Prayer meet-
ing, which was to be held at the
Presbyterian church. Meetings at
North Bend are still in progress.

Delay Moving.—Owing to delays
in completing the new home on
South Second street, Marshfield
Aerie of Eagles will not move in for
two or three weeks yet. They have
purchased billiard and pool tables
and other fixtures for their club
rooms.

Gets Too Many.—"Take that ad
of mine out of the paper or I'll have
to buy more furniture to supply
the demand," phoned Prof. E. A.
Todd yesterday to The Times. He
had been running a three-line for
sale notice and buyers came fast and
furious.

Eagles Buy Tables.—The Marsh-
field Aerie of Eagles have concluded
negotiations for the purchase of the
billiard and pool tables of the Bird
Billiard parlors. The new tables
will go to fitting up the billiard room
in the elegant new quarters of their
new building.

Out of Hospital.—The manage-
ment of the hospital at North Bend
are glad to announce the firing of
Fred Johnson from its fold. His
friends are pleased to see him hale
and hearty again, and as he says
"It takes a man of war to kill a
Russian like me."

Buy Property.—It is announced
that Mrs. E. S. Bargelt and J. Albert
Matson have purchased the Capt.
Matson property on Anderson ave-
nue. The tract is fifty feet wide and
two hundred feet long, having front-

age on Second street, Third street
and Anderson avenue. The price
has not been given out.

To Run Garfield.—It is announc-
ed that L. F. Bridges and wife will
shortly assume the management of
the Garfield hotel. Mr. Bridges,
whose father owns the place, is plan-
ning extensive improvements in the
property including the putting in of
a cement sidewalk in front of it.

To Enforce Law.—Deputy Game
Warden Cal Wright this morning re-
ceived a letter from State Game
Warden Stevenson in which the lat-
ter compliments him on his work
and urges that he continue to en-
force the game law strictly, especial-
ly the shooting of water fowl from a
boat.

Gets Too Many.—"Take that ad
of mine out of The Times because I
am bothered to death with applica-
tions," said E. L. Bessey, the well-
known Coos River rancher over the
phone yesterday. "I got the dairy-
man and this morning a man called
me out of bed to make application.
There have been a dozen other in-
quiries. These fellows who claim
they can't get help should put a
want ad in The Times."

Gets Verdict.—A jury in Justice
Pennock's court yesterday awarded
the plaintiff a verdict of \$26 in the
case of Rohrer vs. Bruno. Rohrer
was suing for the price of a dressed
hog which he shipped to Bruno at
Beaver Hill and which Bruno claim-
ed was spoiled when it reached him.
Bruno is now threatening to sue the
local railway company to get even,
claiming the railroad hauled it back
and forth two or three times before
delivering it.

Revival Grows.—The services last
night were attended by a good
crowd. The subject tonight will be
"Why I Am Not a Christian." Evan-
gelist Gregg will take the position of
one who objects to Christianity and
present his case and then meet the
objection. On Friday night he will
use the stereopticon illustrating the
life of Christ. There will also be
an illustrated song. The subject
"Fraternal Orders, Their Benefits
and Which is the Best," will be dis-
cussed by Evangelist Gregg Sunday
night.

No White Wings For Cal.—Cal
Wright is looking today for the man
who made application in his name
for the position of operating the new
street sweeper for Marshfield. Cal
is not ready to leave the lofty pedes-
tal he occupies as game warden—
not yet. He says he has not even
considered changing his official star
for a pair of white wings and he
would not even change for a pair of
angels wings—not yet. In fact he
thinks being game warden is second
only to being President of the United
States and he doubts if he would
even swap with Taft.
