L. F. FALKELENBERG AND VICTOR GRAHAM FROM NEW ORLEANS.

MONOPOLIST CLAIMS MANY VICTIMS SIGHT OF SUICIDE'S BODY.

FRIGHTENED RELATIVE TO DEATH.

A MONOPOLIST claims many victims of the suicide of a body found in a New Orleans river. The police have not been able to identify the body, but they believe it to have been a man who had been discovered by a fisherman earlier in the day. The body was recovered by searchers in the river, and there is evidence that it was a suicide. The police are continuing their investigation to determine the identity of the deceased.

COSSOY BUMPER CROPS.

C. F. Powers Harvests $250,000 Worth of Potatoes Off One Acre—Oats Shipped.

C. F. Powers, a grower on Cossouy, in the Adams County, Wisconsin, has harvested a large potato crop this year. The potatoes were grown on one acre of land, and the total harvest was worth $250,000. The grower also harvested a large crop of oats, which was worth $17,000. The potatoes were sold to a local processor, who is expected to pay $300,000 for the crop.

ASSESSMENTS TO BE EQUALIZED.

Coos County Board of Equalization Meets In Coquille.

Judge John P. Hall went to Coquille this morning to convene the meeting of the board of equalization. The meeting will be held to assess the value of real estate in the county. The board will make a determination of the value of property in the county, and the assessment will be made to equalize the tax burden.
