Marshfield, Oregon

**Sails Today.**—The Wasp, which has been loading with lumber at the C. A. Smith mill, sailed today for the south.

**Delayed Again.**—J. H. Somers wired Mrs. Somers that business called him to Seattle to wind up affairs and will return to Portland to make Alliance for Coos Bay Monday.

**Plant Delayed.**—Owing to the large amount of freight to be unloaded and taken on, the M. F. Plant will not sail from here for Frisco until tomorrow at 10 o'clock. She brought up about 500 tons of bituminous rock paving material to complete the street paving work here.

**Wants Divorce.**—Cora E. Mosena has begun suit for divorce from Jas. L. Mosena. The couple moved here from Bandon sometime ago and she alleges desertion and other grounds. She further claims that she does not know his present whereabouts. She asks the custody of five minor children. Sometime ago, she entered suit for divorce but Judge Coke denied her petition.

**Goes to Bandon.**—The Marshfield high school football team left this morning for Bandon to play the high school team there. The game will probably be played this afternoon instead of Saturday in order that the team can get back tomorrow. If victorious at Bandon, they confidently expect, they claim the county football championship will be clearly theirs. R. O. Graves accompanied the team.

**Not Much Comfort.**—Will Stauff is suffering from one of Job's comforters and he says that if Job could get any comfort out of 'em he must

have had a job outside of a grocery store.

**Marshfield Minstrels.**—The local Minstrel Company are perfecting arrangements to put on an entertainment on November 24 and 25.

**Boxer Coming.**—Johnny Herron is in receipt of a telegram from Boxer Dougherty of Eureka saying he will sail on first steamer for Coos Bay to arrange a match with Fred Saxe.

**League Meets.**—The Marshfield Citizens' League will meet this evening to talk over municipal affairs. At next Friday night's meeting, it is expected that the league will decide on the candidates it will support for the various city offices to be filled this fall.

**Plan Masquerade.**—The Marshfield Redmen are planning to give a big masquerade here in the near future. If their plans are carried out, a special costume with two hundred or so gowns will be brought here from Portland and the most grotesque garbs will be seen that have ever been worn on the Bay.

**Broke Leg.**—Gus Bingmann of the Smith-Powers Logging Camp on South Inlet, is at Mercy hospital with a broken leg sustained in a peculiar way a few days ago. He jumped off a large log and in the dusk struck on a slanting roof. His hob-nailed boots caught fast, turning his leg so that both bones were broken just above the ankle.

**Trouble at Libby.**—An overdrawn report of a family jar at Libby caused considerable talk on the street here this morning. According to the report here, the wife had sustained some broken bones in the melee but at Libby it was stated that it was merely a "scratching affair" that would probably wind up in the divorce courts. No charges have been filed against anyone.

A Marysville, Mo., man has been sent to an insane asylum for "exhibiting a violent affection for his wife's sister." Which was undoubtedly the proper action in the case, but at this distance it doesn't look like a compliment for the wife's sister.

#### Our Coffee

HAS MADE US MANY FRIENDS.

First of all they were Coffee customers only. Then, one day, they decided to try some of our Tea. They like both, then they are our steady Tea and Coffee customers.

Then they noticed that our Bacon looked pretty good. Tried it. Delighted—and so it goes.

Our eatables aren't good ONLY IN SPOTS. It is our aim to have the stock faultless through and through.

That's a high standard to set. Naturally once in a while we fall below it.

BUT THAT'S OUR AIM.

And in attempting this, we get just about as high an average of grocery goodness as any store in this country.

You may as well benefit.
