Hall's Catarrh Cure is the only positive cure now known for Catarrh of the bladder and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Dollar for any case that it fails to cure. Send for list of testimonials.

Purdy Here—W. W. Purdy, who has been here off and on the past year in the interests of the Oakland and Tidewater railway, a projected electric railway between Oakland and Coos Bay, passed through here yesterday with a half a dozen men en route to Pacific City, the revived Port Orford Orchard Tract proposition. Purdy is now identified with that and what has become of his railroad project is not announced.

O. K. Chop House Closed—A short time ago, Manager Swigert of the O. K. Chop House left for Portland on a honeymoon trip. Whether the arrangements for the honeymoon depleted the exchequer of the place or not has not been announced but any way Mr. Swigert has not returned and yesterday, Jesse Smith, who has been furnishing milk for the lunch room got tired of waiting on his bill and had Constable Cox close the place. Mr. Smith's bill is for \$35. There are also other claims.

Weather Bad—F. S. Dow is laughing over a letter he has just received from his father, T. F. Dow of National City, Cal. In the letter, Mr. Dow speaks about the awful weather they have been experiencing, washouts and rains. He says that Mrs. Clarke of Portland, mother of the Misses Clarke of Marshfield, came there sometime ago expecting to find an ideal climate and is greatly disappointed. F. S. Dow is wondering what became of the much vaunted San Diego climate and says that he thinks he will have to write his father that instead of waiting a month or two to show the visitors nice weather at San Diego, they had better bring them to Coos Bay and get some of the sunshine and invigorating atmosphere that has been prevailing here.
