COMMON SENSE TALK

This is the time of the year when you should be careful of your health. A good way to contract sickness is to stand over a steaming wash tub all day.

Avoid this by sending us your laundry. It won't cost much. There is not a family on Coos Bay but can afford to have at least a part of their washing done. Our prices are right. Phone in your order. Our wagon goes everywhere.

VERMONT MAIDS WOULD WED

Names of 47 Are Sent to Dayton Bachelors.

DAYTON, Wash., Jan. 29.—If members of the Blue Mountain Bachelors' Club do not all secure wives it is no fault of the young women of a town in Vermont. Recently the secretary received, among 15 or 30 other letters from nearly as many states, a communication from a school teacher in Vermont. Accompanying the letter was a list of 47 feminine signatures from the town desiring to become wives of the Columbia county bachelors. It is presumed when news of the organization of Blue Mountain bachelors reached the Vermont village the marriageable maids forthwith called a mass meeting. Letters are now being received at the rate of 15 a day. In 10 days 80 have been received. Nearly every state is represented.

CHEAPEST PLACE to buy VALENTINES in town is at the COOS BAY CASH STORE. We can prove it. Money talks.

TEACHERS' EXAMINATION.

CURED HAY FEVER

AND SUMMER COLD
A. S. Nusbaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business, I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed only to aggravate it. Fortunately I insisted upon having Foley's Honey and Tar. It quickly cured me. My wife has since used Foley's Honey and Tar with the same success."—RED CROSS Pharmacy, (John Preuss, Prop.)

How to Save \$5.00 a Month

Secure a contract on a Lot in Bay Park and put into it merely the nickels and dimes you let slip away each month for foolish things which bring you no return. Its easy if you only start it. And then you must remember that Bay Park lots will grow in value.—Let us tell you that you can buy lots in Bay Park now cheaper than you ever can again.—And then don't forget that selection is something.—We have already sold four hundred lots in Bay Park—and it has become an addition of homes.

W. C. T. U. NEWS.

Mrs. E. L. WHEELER, Editor.

"We are living, we are dwelling, in a grand and awful time,

In an age on ages telling; to be living is sublime."

Hark! the waking up of nations, Gog and Magog to the fray.

Hark! what soundeth? 'Tis creation's groaning for the latter day.

Will ye play then, will ye dally, with your music and your wine?

Up! it is Jehovah's rally, God's own arm hath need of thine,

Hark! the onset. Will ye fold your faith-clad arms in lazy lock?

Up! oh, up! thou drowsy soldier, worlds are charging to the shock.

Worlds are charging, Heaven beholding, thou hast but an hour to fight.

On! the blazoned cross upholding. On! right onward for the right.

On! let all the soul within thee, for the truth's sake go abroad.

Strike! let every nerve and sinew tell on ages, tell for God.

—Archbishop Cox.

Young Women Must Think.

How many young men we hear making the remark, "A Woman at a punch bowl tempted me to take my first drink!"

The woman who consents to serve wine or any other intoxicant at a social function, thereby making herself a siren who may tempt young manhood to the reefs of drunkenness, disgraces herself and all her kind.

As one young man said the other day, "We (speaking for himself and a brother) can never thoroughly believe in a woman again, no matter how good she is. One in whom we had deepest faith lured us into the drink habit, and since then all has been different. Perhaps she did not think, perhaps she did not understand,—but,—well, we can't help feeling as we do."

Criticize the young men, if you will. Say they were weak, for they surely were. But so much the more blame to the young woman. If she "did not think, and did not understand," there is small excuse for her. Every woman, old or young, who values life and love and progress must "think and understand!"

Home, school, Sunday school, press, pulpit, stage and platform are spreading temperance truths abroad as never before, and the woman who does not learn and heed is either weak minded or wilfully malicious.

Let us agitate and educate against the social punch bowl, and thus strive to save other young men from the double disgrace of falling victims to intoxication at the hands of womanhood.—Union Signal.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment.
