We do not employ a special solicitor because we think it is

better to put the money into the work, for after all, a satisfied customer is the best advertisement a business can have

It is easy to scatter printers' ink and send around solicitors, but "delivering the goods" is the item of supreme importance, and all our energies are put forth to "deliver the goods". The measure of our success is evidenced by the increasing volume of

A finishing room 20x55 feet has just been added with ail the necessary equipment, thus removing all the starch work from the dampness and dust of the main building, and it enables us to turn out such work as never before was possible on Coos

In connection with our regular laundry business, we conduct a Dry Cleaning, Dyeing and Pressing Department, and necessary machinery and appliances will be added from time to time as business in this department justifies. Let us show you what we can do in this line.

Talk to our drivers.
