is not what some people imagine it to be. There is only one kind of clothing value—actual worth. When you read a (Bargain Sale?) notice of \$50 value for \$7.69, your good sense tells you it is not worth \$50.00—but most likely it is a \$7.50 value.

Every garment we offer is worth the price we get for it. A \$15.00 suit will be worth \$15.00 in ACTUAL WEARING VALUE TO YOU.

At the price you pay us, we are absolutely certain that it is the most style, quality and workmanship to be had for that money—no matter if it is \$8.50 or \$30. Our policy is: "The utmost value at the price." That's us. At the

To Roseburg—Justice Penneck today received work from Deputy Prosecuting Attorney Liljeqvist that he was going to Roseburg for a two weeks' stay.

Is Arrested—Marshal Carter today arrested Tom Madden, for creating a disturbance on Front street. For a time it looked as though there would be a serious altercation but this was finally avoided.

Gets Many Varmints—Otto Epps who resides at Fairview is said to be the champion varmint killer of Coos county. During the winter, he killed 23 panthers, 3 wild cats, 23 bears and 33 coons.

Many Saw Comet—A large number saw Halley's comet late last evening. It was a little north of west and very close to the horizon. It is still hitting up the speed limit and many

thought they could perceive its motion.

Crawford Missing—Attorney Crawford who was to have answered the charge of obtaining money under false pretenses in Justice Penneck's court today turned up missing. He has not been seen for several days and it is generally supposed that he left the country. His attorney, R. O. Graves, has not heard from him.

Fishing Fine—D. Y. Stafford and I. S. Kaufman have returned from a few days at Ten Mile where they enjoyed some unusually fine fishing, bringing back some dandy strings of trout. Mr. Stafford had been taking cooking lessons for a week or so before the trip as they had planned to "bach" it, but when they reached the summer home, Mr. Kaufman took hold of the culinary department and wouldn't let Dave near the stove or particular except to wash dishes. The latter was kind of disappointed at first but when he discovered the delicacies that Mr. Kaufman could prepare, he was willing to admit he could wash dishes better than he could cook.

Personal Notes

MRS. ARNOT of Cooston, made a short visit in Marshfield today.
