# FIXUP

# LAUNDRY

We launder negligee shirts beautifully. When a man begins to go vestless, the appearance of his summer shirt assumes added importance. We count it worthy of note that we're satisfying some of the most particular dressers on Coos Bay with the negligee shirt laundering which we're turning out, and if we can suit those, we can certainly suit others. Why not test the Coos Bay way, anyhow, and learn how exceptionally good the work can be done? We call for bundles. You needn't bring them.
