Brady F. Burnett, of Washington, D. C., representing the Census Bureau, was in town several days last week taking statistics regarding manufacturing industries, etc., which are collected separate and apart from the enumeration of population and farm statistics.

H. E. Shuley, the carpenter and contractor, who was given the contract for the construction of a new home for E. E. Johnson, on Spurgeon Hill, has the foundation completed and in a short time building will begin to take form. This will be one of the neatest and most modern homes in the city.
