Like Concert.—The concert by the Coos Bay band at Front and Market Saturday evening was heard by one of the largest crowds that has been out in a long time. The various numbers were well rendered and won much praise.

THREE GAMES PLAYED SUNDAY

Marshfield Wins Two, Fairview One and Sumner Loses Two.

At Sumner yesterday the Marshfield baseball team won two victories, Fairview one and lost one and Sumner lost two. There was a big crowd present.

The score of the Marshfield-Fairview game was:
Marshfield 5
Fairview 3

The score of the Marshfield-Sumner game was:
Marshfield 4
Sumner 1

The score of the Fairview-Sumner game was:
Sumner 6
Fairview 9

Cowan and Abbott was the Marshfield battery the first game and Norm Johnson and Abbott the second game. Fairview was reinforced by former Coquille players. Next Sunday, Marshfield plans to play Bandon at Bandon.

At Templeton yesterday, North Lake defeated Big Creek by a score of 19 to 12. H. Carlson and G. Carlson was the battery for North Lake and B. Cox and R. Kino was the battery for Big Creek.

up at a very slight expense and that it will reduce the overland time between here and the beach to about one-half what it is now.

Many at Exercises.—The Tabernacle was well filled last evening for the baccalaureate exercises of the Marshfield High School commencement, it being estimated that between 1,000 and 1,200 were in attendance. The regular program was carried out, the special sermon by Rev. G. LeRoy Hall being especially well received.

Court Meets.—Judge John F. Hall went to Coquille this morning to hold the regular monthly session of probate court. While Judge Hall could not be seen, Tom Hall said that the report that Judge Hall would be a candidate for circuit judge was erroneous. Judge Hall will be a candidate for renomination and reelection as County Judge.

Shoots Foot.—Bill Milner, son of Mr. and Mrs. J. H. Milner, yesterday suffered a slight injury to his foot while picnicking on Coos River. He had a 22-calibre rifle and while the muzzle was pointed downward, the gun was accidentally discharged. The ball passed between his toes, inflicting merely a slight flesh wound. His parents are in Portland.

Prominent Man Here.—F. J. Berger, a member of the Eugene city council, accompanied by his mother-in-law, Mrs. Nurre and her daughter, Miss Nurre, are spending a few days on the Bay. This is their first visit and Mr. Berger is highly pleased with this section and is planning to make some investments here. He is a firm believer in the proposed Eugene-Coos Bay electric and thinks it would accomplish big things for both cities.

News of the Autos.—J. E. Schilling has about sold the handsome new thirty horsepower Cadillac which he received a few days ago to W. U. Douglas, Willis Kennedy, while making a trip to North Bend, struck a stump and damaged his machine considerably. The Thomas Flyer, which recently took C. F. McKnight, Herbert Lockhart and a number of others to Roseburg, took another party from there to Portland. It will leave Roseburg to-morrow for Coos Bay.

Reading Room.—The library committee desires to announce to the public that the library reading room will be opened June 15th whether all the books are on hand or not. The committee are exceedingly sorry because of the unavoidable delay. The books were ordered in seemingly ample time to have had them in use several weeks ago. But every merchant in Marshfield knows the disappointments that attend the shipment of their goods and the inexplicable delays. The public is asked to believe that the committee has done everything possible to hurry the opening of the library. Miss Jamieson, the librarian, will be here by the date fixed, and the reading room will be used. It is still hoped that the several hundred books en route from the East may be here by that time.

LAUNDRY

We launder negligee shirts beautifully. When a man begins to go vestless, the appearance of his summer shirt assumes added importance. We count it worthy of note that we're satisfying some of the most particular dressers on Coos Bay with the negligee shirt laundering which we're turning out, and if we can suit those, we can certainly suit others. Why not let the Coos Bay way, anyhow, and learn how exceptionally good the work can be done? We call for bundles. You needn't bring them.
