

COOS COUNTY CREDIT MEN

Retail Business Men Perfect
Organization to Reduce
Losses.

At the regular meeting of the Merchants' Association, held last night at the office of the secretary in the First Trust & Savings Bank Building, new officers were elected and the name of the association changed to the Coos County Credit Men's Association, as it is the intention to make the association a county one and broaden its field of work, and it is hoped that all who are eligible to membership will respond and assist in making the association a success.

Some erroneous idea as to the purpose of the association has been circulated, and in order to correct any false impression that has been given the purpose of the association is here made public.

The purposes of the association are: To promote the welfare of its members; to offer them protection in the extending of credit; to put business on a sound and more conservative basis; to create a more harmonious feeling between the business man and the consumer and a better understanding as between its members.

Membership in the association is not confined to any one line or class of business, as any professional or business man is eligible to membership.

The community at large will benefit by this association as by reducing its members' losses from bad accounts it will permit them to do business on a closer margin and the consumer will receive the benefit. All right minded people should give this association their support.

The following officers were elected: Geo. E. Cook, president; W. C. Clements, secretary; F. W. Estberg, manager.

LIVELY TIME IN NORTH BEND

Baseball, Races, Boxing, Log
Rolling and Fight Returns
There July Fourth.

The North Bend Athletic Club has just completed the arrangements for a fine Fourth of July celebration there, as well as the big boxing bout to be pulled off at the North Bend pavilion between Evans and O'Brien. The program includes many interesting athletic events. There will be a log rolling contest, a baseball game between Myrtle Point and North Bend for a \$100 purse, a horse race, music by the band and then the big boxing bout.

It has been arranged to have bulletins by rounds direct from the Jeffries-Johnson fight at Reno announcing its progress by rounds at the baseball game. It was originally planned to have this as a feature of the boxing contest, but the change in the hour has necessitated the change. Tickets for the Evans-O'Brien bout are going fast.

Special Race.—The Coos County Racing Association has arranged a special half-mile foot race to be pulled off the afternoon of July 4th, which will be open to all amateurs, regardless of age, in Coos county. Some fine medals are to be awarded. A number of sprinters at Coquille and Bandon requested this race. They have also arranged to get the account of the Jeffries-Johnson fight by rounds for the benefit of the crowd there, a special wire being put in to the grounds. Several more horses are to arrive this week from northern and central Oregon.
