NOTHING IN THE PAPER.

Frequently you pick up a local paper and after glancing at it, wearily throw it aside, "Nothing in the paper to-day." Did you ever stop to think what the phrase means? It means that in the day just passed no misfortune has befallen anyone in our community; that no fire has wiped out a neighbor's worldly goods; that the grim angel of death has crossed no threshold of a friend; that no man driven by liquor, hatred or fear has taken the life of a fellow human; that no poor devil, haunted by the past or misdeeds of others, has crossed a great divide by his own hands. So the next time you pick up a paper that doesn't announce a tragedy, give a little thanks instead of grumbling because there is no news.
